## QUEBEC PREMIER TALKS TO ONTARIO

Taschereau Would Strengthen Bonds of Friendship

Makes Appeal to Toronto Empire Club

Toronto, April 27.—Speaking before the Empire Club this afternoon on the subject, "One of Canada's Assets—the Habitant," the Hon. L. A. Taschereau, Premier of Quebec, remarked that the habitant was a Canadian as good as any. Canada was his home, and he was the friend of Ontario's wealth and enterprise and the spirit of true Canadianism. He asked his Toronto audience to be the habitant's friend, and to give him the same fair play that the Premier said that over the imaginary line which divided the two provinces the native of Quebec would grasp the hand of friendship extended to him by Ontario, for he knew that British institutions meant freedom, liberty, goodwill and respect for the minority. They were sometimes told, the Premier said, that the habitant was priest-ridden. If by priest-ridden was meant the sympathetic interest in the welfare of their people of a virtuous and educated clergy who saved Canada to England in 1776 and 1812, then Quebec was priest-ridden.

Figures.  
He gave to Ontario the credit of being a religious, peaceful and normal province. But how did it compare with priest-ridden Quebec? Ontario's population was about twenty per cent. larger than Quebec's. In 1919 criminal charges in Quebec numbered 4,322, and in Ontario 10,847. In 1,490 municipalities in Quebec, 1,200 had not even a police officer. The speaker said he would also venture to add that nowhere on this continent was there a better feeling of mutual respect, active co-operation, good understanding and true friendship between all races.

## RIVER LEVEES BROKEN BY FLOODS

Damage Done Along Course of Mississippi

Natchez, Miss., April 27.—Flood waters on the Mississippi River pouring through a rapidly widening crevasse in the Wecoma Levee this morning reached and entered the town of Ferriday, La., four miles from the break.

Families Flee  
New Orleans, La., April 27.—A break in the Mississippi River levee occurred at Poydras, about ten miles south of New Orleans to-day. Early reports are that a section of the levee about 100 feet long blew out and that approximately 350 families are fleeing before the flood waters. Poydras is on the east bank of the river, and the break, unless checked, is expected to cover a large area just below the city.

Water Drops  
Fort Worth, Tex., April 27.—Trinity River was well within its banks this morning, the gauge showing a drop of sixteen feet over night and now register only section. Street car service was restored this morning to all flooded suburbs. The dead and missing list is now forty-nine.

## SAID WITNESSES WERE QUIBBLING

Commons Agriculture Committee Members Commented

Grain Dealers' Methods Being Investigated

Ottawa, April 27.—Re-establishment of the Canada Wheat Board was scarcely mentioned at the session of the House Committee on Agriculture this morning. Instead of talking wheat board, members of the committee spent their time examining Winnipeg Grain Exchange witnesses as to the method of financing of farmers' bills of lading, and the fixing of spreads between truck and street prices, the latter being the price paid for wagon load purchases.

One witness, R. Evans, was subjected to rather warm questioning at times and J. T. Brown, Progressive member for Lisgar, joined J. Millar, Progressive member for O'Connell, in declaring that the Grain Exchange witnesses were quibbling and trying to dodge specific questions.

Committee members declared the street wheat seller was permitted to provide elevator companies with profits.

## COMMONS GOES ON WITH ESTIMATES

Ottawa, April 27.—Premier King announced at adjournment last night that the estimates of the Department of Indian Affairs, Mines and Public Works would be taken up to-day, indicating that further consideration of the controversial mill tax estimates had been postponed for the time being.

## DEBATE IN DAIL TO-DAY LED TO STORMY SCENES

Dublin, April 27.—Debate in the Daily Eireann to-day provoked stormy scenes. Arthur Griffith asserted that on the eve of the London negotiations which resulted in the Anglo-Irish Treaty, Eamon de Valera had asked Griffith to extricate him from the "straight jacket of the republic." De Valera, described this as a "lie" and a "damning lie."

De Valera demanded that Griffith's allegation be sifted by the Judicial Committee.

Michael Collins announced that the full correspondence would be published.

## Irish Free Staters Now Control Mullingar Town

London, April 27.—Troops of the Irish Free State Provisional Government gained control of the town of Mullingar following this morning's fighting, says a dispatch from the Belfast correspondent of The Evening News. An armored car manned by regulars was patrolling the streets at the time the dispatch was filed.

Mullingar, April 27.—Fighting broke out this morning between the regular and irregular "Irish Republican Army" forces stationed here in anticipation of Eamon de Valera's anti-treaty meeting on Saturday. The hostilities continued for two hours, both sides using rifles and machine guns.

Various houses were commandeered by the regulars and reported to have made an attack on the irregulars. Great excitement prevailed.

The fighting began at 5 a.m. and ended about 7 o'clock, the regulars capturing and disarming a lorry load of "Republicans."

The "Republicans" are still holding the police barracks.

## HOW TO MAKE RADIO SET

On Saturday The Times will be a series of articles on how to make a radio set. The first article is a distance of at least one hundred miles. These articles are by Frank I. Solar, instructor of Manual Training in the District High Schools, and undoubtedly will command a wide measure of interest among the youthful readers of The Times.

## MASS MEETING TO DISCUSS CLOSING

Sunday Restrictions and Half-holiday Questions Up

Another mass meeting has been called by the Anti-Blue Sunday League for to-morrow evening at 8 o'clock in the Chamber of Commerce. The meeting is for the purpose of all retailers in the city in order that those of opposite views to those held by the league may have an opportunity to express their opinions.

The retailers will also discuss the question of changing the weekly half holiday from Wednesday to Saturday.

A special meeting for grocers will be held following the general meeting as a matter of very considerable importance to grocers has developed.

The first German meeting has been made by the league in the matter of preparing the petition to the City Council to refer the matter of Sunday closing to the people by way of a plebiscite.

Herbert Kent, president; William Leal, secretary, and the staff employed by the League are extremely busy and there will be at least 7,000 names on the petition, fifty per cent. of whom will be registered voters.

Public interest taken in the petition has been such that many signed who are not on the voters' list and it is therefore necessary for the staff to check the petition with the voters' list so that when the matter is laid before the City Council it will be with the assurance that it is a big effective power that is behind the petition. It is hoped that this work will be completed in time to get the petition before the Council at Monday night's meeting.

Visitors Surprised.  
In view of the decision of the retailers again to discuss the early closing regulations and the intimation that it may be proposed to ask the Legislature to amend the Act so that it will simply provide for a weekly half holiday and leave the arrangement of the day one of agreement between the employer and the employee, it is interesting to note the attitude of tourists from other places toward the closing regulations here.

The large and influential party of business men from Seattle and other American cities were somewhat surprised yesterday when they arrived in Victoria and found everything closed up. In Seattle all arrangements regarding closing is dealt with by the stores themselves and the result is that various branches of business are open day and night throughout the entire week.

## ALASKA ELECTION.

Juneau, Alaska, April 27.—With approximately 80 per cent. of all ballots cast in Juneau primary election counted to-day, Dan Sutherland incumbent, was leading James E. Galen for the Republican nomination for delegate in Congress from Alaska by 2,113 votes.

## DR. ADAM SHORTT TO MEET REALTY BOARD

Dr. Adam Shortt has been invited by the Real Estate Board of Victoria to address its members at a luncheon to be held in the Hudson's Bay Company's private dining room at 12:30 o'clock noon to-morrow.

The original subscribers to the fund set aside for the purpose of bringing Dr. Shortt here to report on financial and other conditions affecting the municipality have been invited to attend as guests of the Board.

## NEW SOUTH WALES M.P.'S DISCUSS LOWER SALARIES

London, April 27.—(Canadian Press Cable)—The Sydney correspondent cables that the New South Wales Legislature is discussing a bill to reduce the salaries of Members of the Assembly and a bill providing for an increase in the income tax. Members of the Assembly now receive a salary of £875 per annum.

## MAYOR OF HALIFAX.

Halifax, April 27.—Alderman John Murphy was yesterday elected Mayor of Halifax, defeating Alderman John Regan by a majority of nearly 2,500.

## SEVERAL CONVICTS IN INDIA KILLED

Calcutta, April 27.—Three convicts were killed yesterday when the warden in the Presidency Jail fired upon mutinous men who were attempting to break jail.

## READY TO SEIZE CHINESE RAILWAY

Legations in Peking Desire Safety First

Disturbed Conditions Lead to Certain Measures

Peking, April 27.—Measures for the protection of foreign interests have been expedited in view of the threatened hostilities between the forces of General Chang Tso Lin and Wu Pei Fu.

The main reason for the coast has not been suspended, but is irregular, and the Legations are prepared to order ships to-day to report to the coast.

One hundred and seventy-five blue-jackets and marines are expected to arrive to-day to report to the Legations of the American Legation. The men are from the United States cruiser Albany, which was ordered north from Shanghai, and tents have been erected for them in the American compound in the Legation quarter.

The Albany will join the Asiatic fleet, off Chingwangtao, northeast of Tientsin.

The British and French Legations also have requested that warships be sent to Chinese waters.

The military activities of the opposing forces to resist the Chinese, concentrated 25,000 men at Pao Ting Lu, the capital of Chi Li Province, and Chang has 30,000 soldiers along the railroad from Peking to the sea.

## CONFERENCE BUILD EMPIRE PATENTS

Canada Will Be Represented in London

Ottawa, April 27.—William J. Lynch, Chief of the Patent Office, has been appointed to represent Canada at a conference of the technical officers of the Empire patent office to be held in London June 12.

The suggestion for holding the conference was made in a memorandum prepared by the British Board of Trade on the desirability of instituting a patent exchange among the various countries of the Empire.

The late Government approved of the conference, subject to the provision that, while co-operation and uniformity are desirable, each constituent part of the Empire should retain within its own jurisdiction the control of its own patent law.

The patent offices of Australia, New Zealand, South Africa, India and Great Britain will be represented at the conference.

## PAPERS DEAL WITH SETTLEMENT BILL

London Publications Comment on Emigration

The Post Takes Rap at Lloyd George

London, April 27.—(Canadian Press Cable)—The debate in the House of Commons last night on the Empire Settlement Bill, to make better provision for furthering settlement in the dominions, received a fair amount of editorial comment to-day from the London morning papers.

The Post, alluding to Lieut.-Colonel Ames's assertion that the rehabilitation of Europe was more important to this country than to the British Empire itself, declares that Colonel Ames stated a truth which had been neglected far too long.

Colonel Ames also spoke of Premier Lloyd George's unrivalled powers, and this provoked The Post to declare that if these unrivalled powers were directed on the lines suggested above, the Premier might do this country more good and himself less harm than looking for plums on German-Belgian soil.

The Manchester Guardian recalls that before the war the very word "emigration" came to have a sinister significance. Since then, The Guardian adds, all the Governments have learned to handle the matter more wisely.

The Guardian says it is certain that the British Labor Party can be relied upon to watch the working of the Empire Settlement Bill carefully.

## GOVERNMENT OF STATE IN BRAZIL IS OVERTHROWN

Rio de Janeiro, April 27.—According to newspaper dispatches, the Government of the State of Maranhao has been overthrown in a revolt of the people and the police. The acting Governor of the state was imprisoned.

## NEW WESTMINSTER CLEARINGS

New Westminster, April 27.—The bank clearings here during the past week were \$518,872; last year, \$500,187.

## CABINET MEMBER IN ITALY WAS IN TRAIN ATTACKED

Rome, April 27.—Unknown men fired on a train near Florence to-day, the shots penetrating a window near which the Minister of Works was sitting. No one was injured.

Other disorders were reported from Florence, several workmen having been killed during the trouble. The extremists are much agitated, and the city is heavily patrolled.

## IN MEMORY OF HEROIC DEAD

Memorials to Employees of C. P. R., to Be Unveiled

Ceremony at Noon To-morrow

In perpetuation of the memory of those of ex-employees who gave up their lives in the Allied cause in the Great War the memorial plaque will be unveiled at the Belleville Street offices of the Canadian Pacific Railway at noon to-morrow with appropriate ceremonies.

Hon. John Oliver will deliver a short address, and following his arrival the guard of honor, formed of C. P. R. overseas men, will be inspected.

Oliver Gibbs, one of the senior employees of the C. P. R. Coast Steamship Service, who was at the front, and whose son, Joseph Ernest Gibbs, was killed at Vimy Ridge, June 2, 1917, will perform the unveiling ceremony.

The Canadian Pacific Railway Company extends cordial invitation to the general public to be present at the unveiling ceremonies, and the presence of ex-employees, men and their families will be especially welcome.

Similar ceremonies will take place at approximately the same hour at every important city on the Canadian Pacific Railway system throughout Canada, and also at Hongkong, New York, London and Liverpool.

The tablet to be unveiled here is of brass, bearing the following inscription:

"To commemorate those in the service of the Canadian Pacific Railway who, at the call of King and country, left their homes and families to endure hardship, faced danger, and finally passed out of sight of men by the path of duty and self-sacrifice, giving up their own lives that others might live in freedom. Let those who come after see to it that their names be not forgotten. 1914-1918."

## CONDITIONS BUILD GERMAN TRADE

Low Rate of Mark a Strong Influence

Report From British Agent in Berlin

London, April 27.—There is no doubt that Germany has been during the past year to attract a large part of the world's trade in manufactured goods because of the low rate of the mark, which has been the commercial secretary of the British Embassy in Berlin, published by the Board of Trade Journal.

It is the low mark, says the report, which enables her to return to her former overseas markets and open up new ones. It has enabled her to proceed with the reconstruction of her mercantile marine, and German ships paid for in paper marks can earn freights paid for in gold.

Further, it is the low mark which during the past year saved Germany the crushing burden of unemployment under which the remainder of the world labored so heavily.

Root Cause.  
The depreciation of the mark, the report says, is the root cause for most of the difficulties in the re-establishment of acceptable commercial dealings between Germany and other countries. Germany's commercial and industrial success in 1921 was more pronounced than in the former years.

The chief obstacle to a reparation settlement, according to the report, is the difficulty of obtaining a clear impression of Germany's export position. One of the welcome announcements contained in Germany's note to the Reparations Commission is that in the future, statistics of the financial and economic condition of Germany again will be published, as before the war.

## DEAF GIRL "HEARS" BY USING FINGERS

Also Blind, But She "Reads" Newspapers

Amazes the Medical Society of Chicago

Chicago, April 27.—Although totally deaf and blind, the ability of seventeen-year-old Willetta Huggins to read newspapers, "hear" and talk over the telephone and distinguish colors amazed members of the Chicago Medical Society, before whom she appeared last night. She came here from a home for the blind in Janesville, Wis.

This amazing child, called even "more marvelous than Helen Keller," can hear a lecture or orchestra concert by holding a sheet of paper in the air. By putting her extremely sensitive fingers over the receiver of a telephone, she hears, and by feeling newspaper headlines, she is able to read, and to determine the denominations of paper money, she feels the numbers of it. She determines colors by her acute sense of smell.

Miss Huggins was born in Eau Claire, Wis., and was left an orphan early in life. Illness soon cost her hearing and sight and at fifteen she was sightless and deaf.

## SENATOR THOMPSON DIED IN OTTAWA

Long a Prominent Figure in Maritime Provinces

Mrs. F. B. Gregory and Mrs. E. Winslow Daughters

Ottawa, April 27.—After two weeks' illness the death occurred here early to-day of Senator Frederick Pemberton Thompson, of Fredericton, N. B., and his passing removed a prominent figure in the Maritime Provinces and for twenty years a member of the Canadian Senate. He was a Liberal.

The Senator's illness began with a cold two weeks ago and heart trouble developed. Yesterday his condition became grave and his friends were unable to see him.

Funeral arrangements have not been completed but the body will be taken for interment to Fredericton.

Besides his son, Alexander, of Fredericton, he is survived by two daughters, Mrs. Gregory, wife of Mr. Justice Gregory, and Mrs. Winslow, of Fredericton, and a son, Mr. E. Winslow, of Fredericton.

Frederick Pemberton Thompson was born at Douglas, York County, New Brunswick, the son of Alexander Thompson, a mill-owner, and his wife, Hannah Pickard. In 1874 he married Eliza Snowball, daughter of a Methodist minister. She died in 1906.

He was a member of the McParlane Thompson Manufacturing Company, founders and ironworkers, and also was interested in lumbering and milling. He was a member of the Provincial Legislature from 1878 till 1885, when he was appointed to the Legislative Council. He resigned in 1891 and continued a seat in the House of Commons in the Liberal interest. He was elected to the Provincial Legislature again in 1899, and was summoned to the Senate of Canada February 8, 1902.

He was President of the McParlane, Neill Manufacturing Co., and was vice-president of the People's Bank of Nova Scotia, which was absorbed by the Bank of Montreal; Managing Director of the N. B. Telephone Co.; a director of the Fredericton Gaslight Co., and president of the Victoria Hospital.

In religion he was a Methodist.

## PAY CHANGE ASKED BY TELEGRAPHERS

Toronto, April 27.—Grievances of the employees of the Canadian National Telegraph division were registered last night before the Hon. James Murdock, Minister of Labor, by representatives of the Commercial Telegraphers' Union. The grievances arise from the postal rates for the company of telephones in the substations to transmit messages to the central office and the men's contention is that any man engaged in the work of sending the messages by telephone should be paid the wages of the regular telegraphers.

Mr. Murdock reserved his decision.

## STOCK EXCHANGE SUSPENDS MEMBER

New York, April 27.—Jack O. Straus, board member of the New York Stock Exchange firm of J. O. Straus, has been suspended from the Exchange for one year. It was announced to-day. The Straus firm includes Charles B. Morgenthau and Max Straus, the latter a special partner. No explanation of the Exchange's action was offered when the announcement was read from the rostrum.

## French Hesitate on Plan for Discussion Lloyd George Urged

Paris Dispatch Says Poincare Reluctant to Accept Proposal Signatories of Versailles Treaty Debate His Statements and Reparations.

Paris, April 27.—Premier Poincare to-day submitted to the Cabinet the proposal from Premier Lloyd George of Great Britain to convene the Supreme Council at Genoa. Consideration of the question was put over in order that further information might be obtained from Vice-Premier Barthou, head of the French delegation at Genoa.

Official circles here indicated their belief that there was little prospect of an early meeting of the Supreme Council at Genoa. The latest information from Genoa indicated that the reparations question and Premier Poincare's Bar le Due speech were the principal things Mr. Lloyd George desired to have the Council discuss at Genoa. Consequently M. Poincare is reluctant to accept the proposal.

Doubtful.  
Genoa, April 27.—It is feared the British proposal to call a meeting of the signatories of the Versailles Treaty may be regarded as an attempt to evade the express condition that reparations should not be discussed at or in connection with the Genoa Conference, says Henry Wickham Stead in a dispatch to The London Times. It is therefore thought very doubtful whether Stead adds, whether Premier Poincare of France will accept the British suggestion.

In one quarter neither French nor British, Mr. Stead continues, the idea has been mooted that in view of the extremely complicated situation at Genoa it would be far better to suspend the Genoa Conference for six months in order to leave time for some of the controversial issues to mature and try and dispose of the reparations problem elsewhere.

## ALLIES' REPLY TO RUSSIA DRAFTED

Will Outline What the Nations Offer

Committee at Genoa to Meet To-morrow

Genoa, April 27.—Premier Lloyd George to-day invited Foreign Minister Schanzer of Italy, Vice-Premier Barthou of France and Foreign Minister Jasper of Belgium to meet him at the Villa de Albertini to reach an understanding over the document to be addressed to the Russians in reply to the Russian counter-proposals.

This document will contain not only what is asked of the Russians but also what the Allies are ready to offer.

The Sub-Committee on Russian Affairs will meet Friday to discuss this document and approve it in its final form.

Plenary Session.  
Genoa, April 27.—According to the Socialist newspaper Lavora, a plenary sitting of the conference will be held on Friday. The resolutions already approved by several of the commissions.

The newspaper expresses the view that the decision to hold such a sitting with absorbed interest in conference circles. Meanwhile, the experts of the various powers were applying their best efforts to an attempt to frame a non-aggression pact advocated by the British Premier in the way best calculated to give practical value, reduce the chances of war and at the same time satisfy all the nations of Europe which will be asked to subscribe to it.

An Estimate.  
As for the Premier's address, it is generally regarded as an effort on his part to take a far-sighted view of the political destinies of Europe. Some of the commentators do not take quite such a pessimistic attitude as the British Premier did in picturing the crisis, but all agree in pointing to the danger arising from a failure to recognize the just ambitions of the peoples of Russia and Germany. On the other hand, France with her comparatively small population desires guarantees while the smaller states are deeply concerned for their future security.

## SOVIET ASSURES GENOA DELEGATES OF ITS SUPPORT

Moscow, April 27.—The Soviet Government has sent a wireless message to Foreign Minister Tchitcherin, in Genoa, embodying a resolution of approval of the Russian delegates' policy at the Economic Conference, and giving instructions that no concessions be granted the Allies which would interfere with the rights of the political freedom of the Russian workers.

"We also expect to receive during 1922 \$20,000 on account of the Motor Tax, which is earmarked for streets, bridges and sidewalks, and also an amount which is extremely problematical—the tax on parliament."

Tax Sale Values.  
"The annual tax sale was held in October and property of the assessed value of \$291,880 was sold to private buyers for \$45,255.25. The city bought in property of the assessed value of \$1,491,170, the taxes, costs and interest on which amounted to \$424,558.74. The city now owns property to the value of \$1,568,574.88, and holds a further amount of \$322,278.86, which is subject to redemption before next October."

## NOTE TO RUSSIA

### NOT ULTIMATUM

Genoa, April 27.—"It is no ultimatum" that will be addressed to Russia," Allied spokesmen declared to-day, with regard to the note to be handed the Soviet delegation here.

The delegations of both the invited and the neutral nations were very anxious to explain this point, declaring nothing of an ultimatum nature was in contemplation.

The idea of drawing up a document containing all that Europe is ready to offer Russia was suggested by the desire to put in black and white what the situation really is, so that not only the Russians, but the entire world might judge of it.

## DON'T FAIL TO SPRAY TREES AND PLANTS

Spraying is absolutely essential if the reader wants perfect fruit or flowers. With the first warmth of Spring the eggs of insects (dormant during the winter on twig or branch) come to life. The larvae eat voraciously, develop amazingly and, before you know it, the bloom is stung. Imperfect fruit and unsatisfactory blooms are the certain result.

Spray just as soon as the new leaf starts to unfold, before the bloom appears. Larvae flourish on the young tender leaf. Be sure to get on the under side, both of leaf and bud. Thorough treatment of this kind in the Spring saves a lot of trouble later.

For spraying use Kero-Spray. This contains Black Leaf Forty, Arsenate of Lead, Kerosene, Whale Oil Soap and emulsifying ingredients. It is sure death to all forms of insect life in the garden, insects will constantly appear as the season develops. As soon as the first sign of green fly-spider or thrip, etc., appear, apply Kero-Spray. Don't be afraid to use it as it will not harm the plant but really makes it able to resist rust, blight, mildew and other plant diseases.

Kero-Spray can be obtained at any Vancouver Drug Co. store, Vancouver Victoria and New Westminster. It sells at 40 cents per bottle (making 5 gallons), \$1.25 per 1/2 gallon (making 25 gallons), \$2 per gallon and special price on large quantities. (Adv)

## LABORERS MUST DIRECT BUSINESS, SHORTT ASSERTS

Should Form Own Companies to Learn Facts of Capital, Economist Says

Great Mass of Labor Men Now Ignorant of Capital's Difficulties

"I don't believe that there will be a decent solution of the problem of capital and labor until very large elements and groups of labor get together and carry on industry themselves," Dr. Adam Shortt, noted Canadian economist, who is here conducting an investigation into the finances, declared in an address before the Rotary Club to-day, dress before the Rotary Club to-day.

"That proposal may seem a little extravagant," Dr. Shortt admitted. "You will ask where such elements will get the capital necessary to operate industry, the necessary experience and so forth. I answer that, provided they have the ability—and there is no doubt that many men have this ability—there is no great difficulty in getting capital. The outstanding fact in the economic world to-day is that three-fourths of the big leaders do not come from the capitalistic class. They have made their money themselves. The fact that there are so many leaders of this character is due to the fact that nowadays a man does not have to save for years to make enough money to go into business. This shows that the labor men have ability."

Dr. Shortt said for a moment that all the work of any country will be done by organizations whose shareholders and directors are skilled labor men—for of course this whole idea is confined to skilled labor men. I do say this, however, these men who form such organizations will secure the knowledge which now is confined to the hands of a few capitalists. The success of the labor organizations who alone come into close contact with the business world," Dr. Shortt proceeded. He went on to describe the success of the labor organizations in various countries, which, he said, was now a capitalistic organization of huge resources. "These men, with millions of dollars invested in various projects, are not going to risk their funds by rash strikes," he said. "This organization has been involved in very few strikes during the last twenty years."

"The greater interest labor men have in capital and the better they realize the function and difficulties of capital the less trouble there will be," Dr. Shortt affirmed. "If such workers as carpenters and plumbers could get together and form building companies and other skilled laborers formed other organizations this would solve nineteen-twentieths of the difficulty of explaining the difficulties of capital and the functions of capital to tens of thousands of people, and would present a solid competition between such organizations and the capitalist organizations. It would, in addition, help to save millions of dollars lost now in labor disputes."

## Lack of Continuity.

One of the great difficulties standing in the way of a solution of labor troubles, Dr. Shortt asserted, was the fact that labor leaders, unlike industrial leaders, could not be sure of holding their positions permanently. "Coming into contact as they do with leaders of industry, labor leaders acquire a knowledge of industry that is denied their followers," Dr. Shortt went on. "Not unnaturally they change their attitude on these questions and perceive conditions and difficulties on the side of capital that are only partially realized by their followers. Hence you have the phenomena of a steady repudiation of their own policy by labor organizations."

## SIX YEARS IN PRISON FOR THEFT

London, Ont., April 27.—Harold R. Shillington, former accountant of the London and Western Trusts Company, pleaded guilty to-day to the theft of \$104,000 in bonds from that company and was sentenced by Deputy Magistrate Gartlett to six years' imprisonment in the penitentiary.

## MINER'S FAMILY MADE \$6,135 IN 190 WORK DAYS

Banff, Alta., April 27.—Frank Wheatley, secretary of the Bankhead local union of the United Mine Workers of America, told the conciliation board yesterday afternoon that his wages for 190 working days in 1921 were \$2,183.50. He could have worked more as a miner but he had certain union duties to perform which brought in a salary. One son had made \$1,920 and another \$2,016 and the family of three had made \$6,135.

During a discussion as to the district union's power to negotiate an agreement irrespective of Indiana, it developed that it had almost complete autonomy. The next session will be held this afternoon in Calgary.

## EIGHT WOMEN WERE ARRESTED

Uniontown, Pa., April 27.—Eight women were arrested and a number of state policemen and deputy sheriffs were hurt in a riot at Tower Hill, Mine No. 2, of the Tower Hill Coke and Coal Company, nine miles southwest of here in the Fayette coke region, to-day. The women were brought to jail here and will be given a hearing to-morrow. The mine was closed by the coal strike several weeks ago.

## NO PLEBISCITE, IMPROVEMENT TAXERS ASSERT

Not Inconsistent to Vote for Sunday Referendum, Say "Solid Six"

The City Council majority which is satisfied that improvements must be taxed here this year to put the city's finances on a solid basis has no intention of submitting a plebiscite on the question to the electors. It was learned to-day after Mayor Marchant had called a meeting of the Council for to-morrow to decide whether tax plebiscite should be held or not. The "Solid Six," as the improvement taxers are called, will vote against the proposed plebiscite on the tax question but will agree to a plebiscite on the Sunday closing issue. In adopting this attitude, they assert, they are not in the least inconsistent. A plebiscite on Sunday closing, they point out, is desired by the Police Commission which put the closed Sunday into effect. On the other hand, the tax plebiscite has not been asked by any elected organization.

Each side of the Sunday closing question desire a plebiscite, whereas a majority of the Council is for the improvement tax so that the two cases are quite different, the "Solid Six" members of the improvement tax faction explained to-day.

Dr. Adam Shortt, who is now investigating the improvement tax question will advise the Council on taxation matters before he leaves for Ottawa about the middle of next week, members of the "Solid Six" can be put into effect this year even though his formal report is not completed until after the election. The annual tax rate must be struck.

## OBITUARY RECORD

The funeral of the late Hugh McGill, who passed away at St. Joseph's Hospital last Sunday, took place this morning, the cortege leaving the Sands Funeral Chapel at 8:30 a.m. Mass was celebrated at 9 o'clock at St. Andrew's Cathedral by Rev. Father Wood. A large number of friends were present, including a representative of the Knights of the Thistle and the United States Marine Society. Many beautiful flowers covered the casket. The pallbearers were Tom Alexander, A. M. J. Brown, James Nicol, J. A. Green, R. W. Gunn and Alderman E. S. Woodward. Rev. Father Bradley officiated at Ross Bay Cemetery, where interment took place.

There passed on yesterday afternoon, at the home of her daughter, Mrs. Frank Calvert, Mary McWilliam Hopper, at the advanced age of 89 years and 8 months. The deceased lady was a native of Huntington, Quebec, but had resided in Victoria for the past 70 years. Three sons and four daughters survive her. The remains are resting at the Thomson Funeral Home, Quadra Street, and will be removed to the residence of her daughter, Mrs. Frank Calvert, 1900 Belmont Avenue, for a private service to be held at 11 o'clock, on Friday morning. Mrs. Calvert and Mrs. G. Munroe will accompany the remains on the 2:15 boat, en route for Winnipeg, where the final obsequies will be held.

At the family residence, Mount Toimie, on Wednesday evening there passed away Mrs. Mary Jane Hunter, aged 70 years, the beloved wife of William Davidson Hunter. She was born in Lancaster, County Durham, England, and came to Victoria twelve years ago, after residing many years at Lindsay, Ontario. Her husband survives her, also four sons, George, R. of this city; Dr. Frederick R. of Vancouver; the past 70 years; non, B. C. and Richard C. Hunter, of Parkberg, Saskatchewan; also one daughter, Miss Maude Hunter at home. To-morrow at 2 o'clock the remains will be removed from the residence to St. Luke's Church, where the funeral rites will be performed by Rev. William Carroll one hour later. Interment will be in St. Luke's Cemetery.

There died yesterday at the Jubilee Hospital, John Macdonald, aged 34 years, a veteran of the Great War, from illness resultant on his service overseas. He was born in Edinburgh, Scotland, but came to Victoria eight years ago. His home was at 2410 Cook Street, where his widow survives him. The funeral which will be a military one, will take place on Friday at 2 o'clock from the B. C. Funeral Parlors. Interment will be made in Ross Bay Cemetery.

## NEW PRESBYTERIAN CHINESE CHURCH TO BE DEDICATED

Oriental Support Forthcoming to Missionary Effort Here

To-morrow evening the new Presbyterian Chinese Church, situated on North Park Street, near Blanshard Street, will be formally dedicated. The friends of the mission are cordially invited to attend. In the afternoon a committee of ladies will be at home in the schoolroom of the building from 3 to 5 o'clock. A musical programme will be rendered, and a voluntary offering will be taken to aid in the equipment of the building.

The church, including the property on which the building stands, has cost \$10,000, which has been paid by the Presbyterian Church of Canada. The erection is under the instruction of the Foreign Mission Board, whose headquarters are at Toronto. An interesting fact in connection with this is that the Chinese of this city have raised about \$1,000 through subscriptions and contributions. The bulk of the funds have been supplied by the Men's Foreign and Women's Foreign Mission Boards for the building of the structure.

A bell tower has been added to the original plans. This new Presbyterian Chinese Church, which will open with a membership of sixty, has an overall measurement of 48 feet 6 inches by 60 feet 6 inches. There is a concrete foundation, the basement of which will contain gymnasium, furnace-room, dressingrooms and kitchen; while the main floor, which is about 100 feet by 100 feet, will contain a membership of sixty, has an overall measurement of 48 feet 6 inches by 60 feet 6 inches. ## Making Home Industries

Last year we spent practically \$1,000,000 in British Columbia with the farmers for milk, and with the box, can and label makers. It is the policy of this company never to go outside the Province for anything that is obtainable here, even when the initial expense is greater. We believe that the long run it will pay in dollars and cents, as well as in sentiment, when British Columbia industries are given the work to do, thus making this a great industrial centre.

## CANADIAN BANK

### ACT CRITICIZED

London, April 27.—(Canadian Press Cable)—The Bradford Chamber of Commerce has passed a resolution protesting against the clauses in the Canadian Bank Act, which gives Canadian banks the preference over other creditors in the event of bankruptcy. The president of the Chamber of Commerce stated at a meeting Tuesday that a man came to Bradford with references from a Canadian bank and obtained goods to the value of \$200,000, which on arrival were seized by the bank in question to liquidate the manufacturer's overdraft.

## NO MORE BEES

### FROM EUROPE

### Importation Prohibited by the Federal Government

Ottawa, April 27.—Importation into Canada from Europe of bees, second-hand hives or raw hive products, excepting honey, is prohibited on and after May 1, under an order issued by the Federal Minister of Agriculture. The order, a statement issued by the Department of Agriculture says, is necessary, owing to the danger of introducing a contagious disease of bees known as the Isle of Wight disease.

### DECLARES B. C.

### SHOULD BE HEARD ON FREIGHT RATES

Vancouver, April 27.—That the discrimination complained of by British Columbia in the matter of railway freight rates would be substantially aggravated if the suspension of the Crow's Nest Pass agreement should not be continued, is the opinion of G. G. McGeer, K. C., who handled the recent case for the Province before the Railway Commission.

Mr. McGeer, after studying the whole situation carefully and conferring with Premier Oliver and Attorney-General Manson, has wired Hon. W. C. Kennedy, Minister of Railways, asking a widening of the scope of the parliamentary committee which is to look into the whole question, in the hope of having British Columbia represented at its sittings. He has also telegraphed Hon. J. H. King, Minister of Public Works, asking him to guard British Columbia's interests in the matter. Mr. McGeer claims that unless the Crow's Nest Pass agreement suspension is continued, the result will be to induce Prairie shippers to send their wheat eastward via the lakes instead of through Vancouver, while Winnipeg and Eastern manufacturers of the commodities named in the Crow's Nest Pass agreement will be placed in a better position than ever to compete against British Columbia coast manufacturers.

## HUNGER STRIKE IN SOUTH AFRICA

### Men Awaiting Trial Are Starving Themselves

### Charges Grew Out of Recent Disturbances

London, April 27.—(Canadian Press Cable)—Reuter's Johannesburg correspondent cables that a hunger strike is reported among several hundred prisoners awaiting trial in connection with the recent rebellion outbreak in the Rand. The complaints of the prisoners are alleged to be of indigestion, excessive blood demands and bad jail conditions.

A Cape Town dispatch said it had been stated in the South African House of Assembly, in reply to questions, that \$54 charges of treason had been preferred in connection with the recent Rand rebellion.

### PAPER MAKERS' WAGE QUESTION

New York, April 27.—Manufacturers of newspaper paper, whose proposals for wage reductions in the industry were flatly refused yesterday by the International Brotherhood of Paper Makers, announced they would present the union's delegates with an ultimatum of "accept or strike."

This policy, according to Floyd Carlisle, president of the St. Regis Company, was decided upon at a conference of manufacturers after a session with the union men. It would be presented to delegates of the brotherhood and of a half dozen allied crafts at a conference here to-day, Mr. Carlisle stated.

Estimates of manufacturers and labor leaders as to the number of men to be affected by result of the conference vary from 40,000 to 60,000, the larger figure being that of the union delegates. All present contracts between employers and organized men of the industry will expire at midnight, April 30.

### Proposal in Britain Outgrowth of Engineers' Lockout

London, April 27.—(Canadian Press Cable)—The Leeds Trades and Labor Council has recommended to the National Joint Labor Council that every trade unionist in the country be called upon to remain idle on a given day at an early date in protest against the action of employers in locking out the members of the Amalgamated Engineers' Union and also to demand a Government inquiry into the whole circumstances of the engineering dispute.

### LIQUOR SEIZURE

### LEADS TO SUIT IN ONTARIO

Bellefonte, Ont., April 27.—The seizure of 200 cases of whisky here last Saturday by provincial police after it had been loaded into a launch has resulted in issue of a writ for \$20,000 damages against the Department. The writ was issued by the Consolidated Distilleries of Corbyville and W. J. Woodward of Toronto, owners of the launch, who claims the liquor was for export to Mexico and that no Canadian law was violated.

### SUGGEST TRUCE IN CATTLE DRIVING IN IRELAND

Dublin, April 27.—Commandant-General Brennan and three other generals of the regular "Irish Republican Army" in County Clare have issued a proclamation calling for an immediate truce, to run for three months, in cattle driving and interference with land. They pledge at the end of three months to use their influence with the Ministry of Agriculture to have lands which ought to be the people's property purchased and divided.

"Persons engaged in cattle driving between this date and August 1," says the proclamation, will do so at their own peril, as drastic action will be taken to enforce this proclamation."

### FRENCH VESSEL SANK; DEATH LIST WAS THIRTY-TWO

Brest, France, April 27.—Thirty-two lives were lost when the French steamship *Demity Albert* ran aground on a reef of 3,000 tons, bound from Rotterdam for Brest with a cargo of coal, foundered Tuesday night off the northern coast of Brittany during a violent storm. The captain of the ship, the sole survivor, was picked up yesterday by the Greek steamship *Pelagia*.

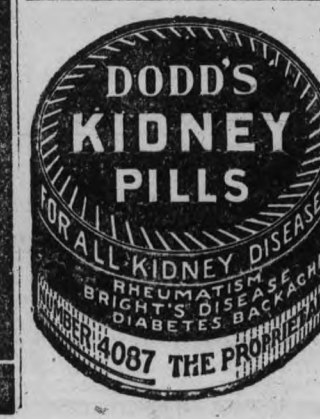

### NICK CARTER, AUTHOR, ENDS LIFE IN NEW YORK

### NARCOTIC TRIAL IN PORTLAND

Portland, Ore., April 27.—Ray Cook, indicted by a federal grand jury here jointly with Thomas Ryan, ex-pugilist, on a charge of selling narcotics, to-day was declared a fugitive from justice and his bail of \$1,000, under which he was released following his arrest, was declared forfeited. Cook was scheduled to appear in Federal Judge Wolverson's court yesterday for trial. Ryan appeared. The two defendants were charged specifically with delivering a quantity of narcotics to Ah John, a Chinese, employed by the federal authorities as a detective.

Vancouver, April 27.—Ray Cook was arrested in Vancouver last night at the request of the Portland authorities and held awaiting advice.

## ST. LAWRENCE PLAN WAS DISCUSSED

### Commons Debated Deep Waterways Scheme

Ottawa, April 27.—Arguments on the St. Lawrence deep waterways scheme, both in favor and criticism, were heard in the House of Commons during a debate which occupied yesterday's entire sitting.

T. L. Church, Conservative, North Toronto, had a motion calling upon the Government to give early and favorable consideration to the report of the International Joint Commission and request the Government of the United States to join with Canada in making an international agreement for carrying out the work so recommended.

The debate continued until 6 o'clock, when it was automatically adjourned.

Mr. Church's motion now goes on the Order Paper, to the bottom of public bills and orders, and is not likely to come up again for some time, if at all this session.

"If Montreal opposes this project, she will be making one of the most serious mistakes in the history of Quebec Province," Mr. Church declared during the debate. "The greatest hope of civilization to-day lies in the union of English-speaking peoples, especially Canada and the United States, and this will prove one of the greatest factors in bringing such a union about."

Opposed.

F. Rinfret, Liberal, St. James, announced himself at the outset as an opponent of the project. He remarked that there was a lurking suspicion that the main object of the whole proposition was not navigation, but electrical power. However, considering the question of navigation, it was doubtful whether ocean vessels could compete with Lake freighters. While a Lake vessel of a certain draught had a carrying capacity of 14,000 tons an ocean vessel with the same draught had a carrying capacity of only 4,000 tons. Again, ocean vessels cost three times as much per ton to build as did Lake vessels. It would seem probable, indeed, that in order to operate the great waterway, three classes of vessels would be necessary, lake craft, barges and ocean vessels.

Great Cost.

J. Miller, Progressive, Qu'Appelle, opposed the resolution on the ground that it was a waste of time to discuss a project which would not be started in the near future. The cost of the proposed waterway would be tremendous, and with farmers in need of help to buy seed, it was unthinkable.

E. A. Lapierre, Liberal, Nipissing, also opposed the resolution.

Hon. R. J. Manion, Conservative, Fort William and Rainy River, said it was admitted that the St. Lawrence Deep Waterway project meant the expenditure of a large amount of money, but anyone who read the report of the International Joint Commission would believe that the construction would ultimately be carried out.

The construction of the St. Lawrence Deep Waterway would develop the natural resources, would induce people to settle in Canada and would also help the prairie farmers in the transportation of their wheat. An increase in the population meant a cut in the per capita debt, and if the population was doubled within the next twenty years, the per capita debt would be cut in two.

It had been estimated that the construction of the canal would result in a saving of five cents a bushel on wheat. This would amount to approximately \$15,000,000 each year, which would materially benefit the farmers.

Not at Present.

J. L. Brown, Progressive, Lisgar, said he favored the project but that it was not practical at present. He wished to see the British Parliament recognize the soundness of Canada's position with regard to the embargo against Canadian cattle and the justice of her complaint against the embargo.

Alluding to a recent message from Canada that land settlement in Manitoba, Alberta and Saskatchewan would be controlled in future by the Provincial Governments, instead of by the Federal Government, Lord Shaughnessy said:

"These are great cattle-raising provinces and it would be a serious thing if their attitude toward British settlement were influenced by pin-pricks from this country. I can not see how the provinces are to take complete control of immigration."

### BUILDING HOUSES AT LOWER FIGURE IN GREAT BRITAIN

London, April 27.—(Canadian Press Cable)—The arrival of House building necessities from Canada, particularly pipe, has helped to produce a palpable fall in the cost of building here. The Ministry of Health is now making contracts in the neighborhood of a reduction of £400 for houses which used to cost £1,400. The trade rings here have visibly collapsed. There are also large savings in the cost of house building throughout the importation of tiles from Marseilles, France.

### CARELESSNESS AND FOREST FIRES

Hunters, fishermen and woodworkers of all kinds smoke in the forests, while the automobilists toss bits of fire from their cars and speed thoughtlessly on, unaware that they have left an incipient conflagration behind them. A single glowing cigarette stub may cost thousands of dollars for fire fighting to say nothing of the destruction of scenic beauty and the harm done to stream flow.

## GOOD ROADS CONVENTION.

Every Province of Canada should find it to its interest to send its most influential delegates to the National Good Roads Convention which will take place in this city in the early days of June. The more Provincial Premiers and Cabinet Ministers who can make it convenient to attend the simpler it should be to establish an effective co-operative movement throughout the country as a whole. Too much emphasis cannot be laid upon the importance of good roads. Upon the general scheme of Canadian highways depends the opening up of new territory and the more intensive development of those areas which are producing their quota of national wealth. British Columbia has an especial interest in the forthcoming gathering if only for the reason that it desires its own peculiar physical features to be better understood by those who are not particularly impressed by second-hand knowledge. None the less the chief aim of good roads enthusiasts in this Province is to foster a more practical understanding of the requirements of this comparatively new country. And at this stage the people of Victoria may remember that it was largely due to the activities of the late ex-Mayor Porter and Mr. John L. Beckwith that the capital city of this Province was selected as the meeting place of the national body this year. So the cause of good roads in this particular instance imposes upon every citizen the duty of assisting in making the approaching gathering a success.

## MUST STAND FIRM.

France is naturally reluctant to discuss reparations in the presence of her enemies and neutrals at Genoa. She very properly maintains that the Treaty of Versailles should be capable of enforcement and is ready to demonstrate the proof. How far she would consider it desirable to go in her process of collection is a matter for conjecture. But everything that has taken place at the Conference strengthens the oft-repeated contention that until the signatories of the Treaty come to an understanding upon this subject, and arrange for the discharge of Germany's full liability in a manner that will not provoke a situation that might easily destroy all hope of collection, many features of the agenda are without point. The suggestion of the British delegation that such a gathering should take place at Genoa is a practical step towards common action in the event of German obstinacy. It should at least hasten the discovery of an economic basis upon which Germany's financial problem could be solved and furnish sufficient co-operative support to impress both the debtor nation and her new partner in the commercial pact signed at Rapallo the other day.

The ultimatum that will be sent to Russia in the meantime is going rather late in the day; she should have been told to toe the mark or get out as soon as it became known that she and Germany were out for all the spoils that might result as a consequence of Allied dissension. None the less if Russia is told what she has got to do and what she can expect in return for the doing of it, and if there shall be no wavering afterwards, little harm may result from the delay in reminding her of the conditions by which her presence at Genoa is governed. Certain it is that Germany can pay and will pay if she is made to divulge her real position and take the necessary steps towards a taxation policy that will yield the requisite revenue. She has no desire to be wiped out by the pro-

cess that France could apply if she were sufficiently provoked. But the Allied nations must drive her to the point where what is left of her national vanity will assist in staving off the disaster that would result from a military clash East of the Rhine.

## FOREST FIRES.

This is the time of year when every camper and holiday maker should remember his and her respect for the forest wealth of this Province. It is at this period that those who spend a great deal of their time in the great out of doors should make a hard and fast rule to observe the fundamental principles of forest protection. They should remember that the lighted match dropped on parched vegetation is capable of commencing the destruction of millions of feet of valuable timber. They should remember that the camp fire that is built in a "cup" of stones produces the best results and is easily extinguished with a few buckets of water. Only by observing the greatest of care can the annual loss which forest fires exact from our timber supply be avoided. And precautionary measures are simple to apply.

## A BUSINESS GETTER.

Apart from the fact that the Anacortes-Sidney ferry service provides Victoria with closer access to a famous international highway the beauty of the journey across this thirty-mile stretch of water already has established the popularity of the new route. Yesterday's visitors who took part in the inaugural excursion were bereft of words with which to express their admiration. This feature of the enterprise cannot help but stimulate a greater amount of travel to and from the neighboring State of Washington in which Vancouver Island in general and Victoria in particular should derive substantial pecuniary benefit.

As the convenience and popularity of the new link becomes wider known it is reasonable to expect that touring parties from the other side of the line will prefer to commence their jaunt in British Columbia by making the Island their starting point. It goes without saying that a more general interchange of visits between the two points would advertise the service better than anything else. In this the people of the Island—and particularly of Victoria—can do much in their own interests. The pioneering work has been accomplished and the results demonstrated. Development of greater tourist business for this part of the Province through the use of the new route should follow as a natural consequence.

## HOUSES IN BRITAIN.

Great Britain is importing pipe and other building necessities from Canada and tiles from France and is cutting down the expense of erecting houses. Dwellings which used to cost over seven thousand dollars are now being built for something like two thousand dollars less because the Ministry of Health has entered into these outside contracts for supplies. While this is primarily a commentary upon the cost of production in Great Britain the figure quoted for the completed structure suggests that British Columbia might easily have shipped hundreds of cut-to-fit houses at a good profit.

## NOTE AND COMMENT

The Russian delegates at Genoa are said to have interpreted the Allies' willingness to "write down" war debts as an agreement to "write off" war debts. This is given as the reason for the absence of a reference to the question in their rejoinder to the Allied communication. Next, please.

We took occasion to suggest sometime ago that somebody would throw the Treaty of Versailles into the Genoa Conference and then look at Mr. Lloyd George to see if he were smiling. If he succeeds in getting France to attend a gathering of the signatories of that Treaty in Genoa for the purpose of discussing reparations he will have fulfilled the prophecy that he would get his own way in spite of the document to which both countries subscribed at Cannes.

## REVERTED LANDS AND ASSESSMENTS.

To the Editor:—If the City wishes to sell any of their reverted lands why do they not draw attention to them by having some conspicuous and distinctive sign-board placed on each lot so that all can see at a glance just what there is for sale and look over it with the interest which is of practical meaning to the ordinary individual than reading over a list of lots and section titles in the City Hall even if they felt sufficient interest to go so far.

Let me suggest a rather novel idea from New Zealand for saving the City's own valuation on its property and a deterrent to the putting of too low a bid is compelled by law to sell it to the City at any time during that year at that figure. It also understands that every individual over 21 male or female pays an annual service tax of \$3 a year and if one month in default is liable to fine. Apparently the use of some ideas of finance "down under."

PROPERTY OWNER.

## SUNDAY CLOSING

To the Editor:—May I have space to comment on the remarks of the Mayor against his critics? An old saying, "There is no such thing as a free lunch," is the advocate of closing in that they ignore the point mentioned and again, viz, the storekeepers are proprietors, not employees, so the question of their interest in labor's cause falls flat. It is thought, however, that the Chinese stores are under one organization, thus bringing them within the status of employees. Would the Mayor have us believe he has their welfare so much at heart that to give them Sunday rest he cares not for the labor who fought that we may be free? He says the attitude of Mr. Carmichael is grotesque, yet, after carefully perusing Mr. Carmichael's expose of the Lord's Day Act, it appears the term is misapplied, for of all the grotesque absurdities of law, this is one. Would the Mayor's community permit the enforcement of such a law in these days without vigorous opposition? I think not.

In his remarks about the tourists not requiring to purchase tobacco and cigars here he has me guessing. Have never made the acquaintance of the Customs officials, not having the opportunity to smuggle dutiable goods or the pleasure of being able to travel across the border, so I would like to be informed whether it is permissible for tourists to bring boxes of cigars and pounds of tobacco for their use while touring the Island. If not, it naturally follows they prefer to patronize local stores to paying duty on these articles.

As to his quoting Exodus 20 against Mr. Landsberg, it comes to this: Either you've got to apply that law to its limit or use common sense in these days and let things be as they were. His argument that by so doing forcing an income for all kinds of businesses to open, belittles the good commonsense of the department heads of those those businesses, to imagine for one moment they would open because a few small stores sell papers, cigars, etc., to accommodate the public.

No, no, Mr. Mayor, have patience and wait till the millennium, for it's an absolute certainty any attempted reform on those lines is doomed to fail.

## HELP FOR VETERANS

To the Editor:—May I request the privilege of a little space in your valuable paper for the publication of the following letter.

In your issue of the 14th inst. I noticed a report giving the attitude of His Worship the Mayor as being very sympathetic towards the returned soldier, particularly the man who has had the misfortune to lose one limb to give a limb or limbs in the defence of King and country, which I am a great admirer of, particularly in a very doubtful honor.

Firstly, seeing that we have been fed on a sympathetic diet for the last four years or more, let me remind His Worship that to be sympathized with may be very nice, but personally I find it quite unappealing and not very filling to a hungry man. Also, in my own varied experience, I have always found that an ounce of practical help is worth several tons of sympathy, and I would like to point out to those large employers of labor who have only sympathy to offer to men who have unfortunately returned crippled for life, that sympathy is not asked for, and the less we get of it the better we like it.

Personally, I don't blame private employers of labor for not wanting to have a badly disabled man around, but I do say that the different cities have the misfortune to have into the Dominion Government, could and should provide jobs suitable for our men so badly crippled, and in their service.

The worst offender in this respect is the Dominion Government, which in the first place was primarily responsible for us going to fight for it, but on our return home hands us an inadequate pension and calmly washes its hands of us.

"Well done, thou good and faithful servant!"—and our reward is to be condemned to a life such as we are living now, and slowly but surely dying out, with apparently no hope of ever getting a job, and what is worst of all, we feel that we are degenerating, though unwillingly, into a set of useless and undesirable citizens.

Several of us, who have hunted jobs for months and in some cases years, but with no success, are beginning to wonder where we get off, and are rapidly coming to the conclusion that we will eventually take a No. 11 car and get off at the Old Men's Home.

VICTORIA, B.C., April 26, 1922.

J. W. BENGOUGH'S SINGLE TAX.

To the Editor:—Bishop MacDonald in his letter on single tax in the Colonist of the 22nd inst. uses as his text the following quotation from The Colonist's report of Mr. Bengough's address to the Henry George Association: "The speaker took exception to the remark often made that single tax means the taxation of land values." This is incorrect, because it is not taxation to ask a man

## DAYLIGHT SAVING TO START SUNDAY MORNING IN CITY

Mayor William Marchant today made a formal announcement to the people of Victoria that daylight saving time would become effective here at midnight on Saturday. It had been planned previously to start daylight saving on Sunday night, but the date was moved forward a day.

The Ministerial Association to-day appealed to ministers of all City Churches to start their services in accordance with daylight saving time on Sunday morning.

to render up to the community that is not his, but the community's, to say. "Granted, but City still in the middle of the sentence as framed by The Colonist's reporter? Continuing, it reads, 'for taxation is the compulsory contribution of the individual citizen out of the source of wealth which he actually owes towards the public for public purposes.' This second part of the sentence, a definition of taxation, was given by the speaker in order to qualify the first part. That is, taxation as we understand it, to-day, is a compulsory contribution of the individual citizen out of that which he actually owes towards the public for public purposes. If the system of obtaining public revenue as advocated by Henry George and others, that the individual citizen would simply pay into the public till sufficient interest on the capital for public use all the part of the interest on what it produces. The expenses made necessary by community life would be met by the value made by community life. Industry would be untrammelled. The workers would not be leaving the droves. Those physically fit who would not work would starve. But everyone would be free to work. The followers whose presence in a community makes that particular part of the community valuable would not be sending the economic rent to the absentee landlord. The tolls not, neither does he spin, but would have it to use for the necessary expenses of civic, provincial and federal governments."

The Bishop in his letter says: "The advocate of the single tax comes out into the open and tells the people of Victoria that the avowed aim of the single tax is the confiscation of private property in land. The Bishop did not take the talk given by Mr. Bengough (his misfortune), neither is he guided by the reports in both papers are but incomplete synopses, though good so far as they go. The single tax is not a complete confiscation of private property, but it is a complete confiscation of the economic rent, the value made by the individual having every right to own the land."

The Bishop also says: "In the meantime, by the law of the realm as well as by the law of every civilized country, the right of the individual to private property in land is recognized." Will the good Bishop tell us that this law as he claims is not a complete confiscation of private property? Would he say that the earth was created for a select few and that the rest of mankind must pay tribute to this coterie of landed knights or get off the face of the earth? Would he say that makes an unjust law right?

Single Taxers recognize private property in the use of land not in the mis- use of it. After all, single tax is morally a land question first and an economic question next. It is to encourage the use of land and to discourage the holding of it out of use. Everything a man produces he is entitled to, but economic rent in land he does not produce and is not entitled to. And no law, however old, can justify the holding of land out of use.

Again quoting from the Bishop's letter: "This being the case, I say that single tax, which rests on the assumption of the common ownership of land, is illegal and unconstitutional." This is not so. Single tax does not rest on the assumption of common ownership in land; it rests on the common right of the individual to own the land which is a creature of the community. It rests in the faith that the All-wise Creator made the earth for all mankind and that they are entitled to the equal right in the use of the land.

As Mr. Bengough says: "The single tax doctrine will ultimately win out." "Dh'adheoin co theas." MACSHEUMAS.

the city were received, amounting to \$10,817.13, but as the buildings were in a bad state of repair, the city is looked upon as an easy landlord. \$2,244.42 was expended on repairs. amounts received from the sale of reverted lands, was paid into the Local Improvement Sinking Fund.

"For the sale of lands we received \$129,846.08—the charge against these lands was \$1,363.96, and we also hold certificates for sale amounting to \$54,429.94.

Debentures Redeemed.

"During the year debentures were redeemed at due date amounting to \$826,372.22 and debentures purchased in the open market amounting to \$144,505.15. On these latter a profit of \$46,566.61 was made. An amount of \$23,360.02 due on October 1, 1921, is still outstanding, not yet having been presented.

"A further \$40,000 was advanced under the Better Housing Act. We have now forty-eight completed houses, against which we hold agreements amounting to \$120,166.93. There are ten unfinished houses and when these are completed there will be funds available to build at least two more houses. The instalments are being promptly paid with one exception. This house will probably have to be taken over by the city. \$4,000 of the advances of the Government have been paid off. The amount now owing is \$176,000.

Exchange Bonds.

In 1921, Mr. Baymure's report states, the city exchanged Dominion Government War Loan Bonds bearing five per cent. interest to the amount of \$250,000 for an equal number of B. C. Government bonds bearing interest at six per cent. The city now holds Victory Bonds maturing in 1934 to the amount of \$28,150 and other Victory Bonds of various maturities to the amount of \$140,400, it is stated. B. C. Government bonds to the amount of \$363,000 also are held.

A full measure, both as to weight and quality, is our guarantee to all people at all times.

Unemployment in both the response steps must be taken to secure help from whatever sources are at hand.

## SEARCH FOR BODIES OF FLOOD VICTIMS AT FORT WORTH

Fort Worth, Texas, April 27.—Search for the sixty or more reported dead or missing in Fort Worth as a result of the flood and reconstruction work took the lead in the situation here to-day. Three persons are in the list of known dead, their bodies having been recovered.

Reports of missing persons and others seen to drown added to the list last night. Belief that the crest had passed was expressed by officials early to-day after a decided drop was noted last night in both the Trinity River and Clear Fork Creek.

## BABY HAD TWO HEADS; SURGEON REMOVED ONE

Brussels, April 27.—A report is being made to the Belgian Academy of Medicine of a remarkable surgical operation performed Tuesday by Chief Surgeon Gnanolla at the hospital in Tergnier, when an abnormal secondary head on a baby born a week ago was successfully amputated. The remaining head of the boy is normal. The one removed was large and malformed.

## WAGES AN ISSUE

## Newsprint Manufacturers Meet Men in New York

New York, April 27.—Only four days in which to negotiate a new wage contract before the present one expires remained when officers of the International Brotherhood of Paper-makers met to-day in an effort to avert a threatened strike of 60,000 men.

The manufacturers' committee, headed by F. Lloyd Carlisle, president of the St. Regis Paper Company, issued a prepared statement in reply to the men's refusal to accept their programme of wage reduction. "Accept or strike" was the indicated attitude of the employers, according to Mr. Carlisle. They would not compromise a single point, he said, in their demands for a ten per cent cut for skilled men and elimination of time and a half for overtime. Sundays and holidays. Common labor must be left out of the new agreement, the employers declared, their wages to be determined by the supply and demand.

The forty delegates who are here in the interests of the manufacturers to-day reiterated their refusal to accept the terms of the employees. Neither side in the controversy would make any predictions on the possible effect of a strike on the supply of paper for newspaper publishers. Only small stocks have been accumulated by the manufacturers, it was said.

## MAN OF MINERS' UNION ON TRIAL

Charlestown, W. Va., April 27.—A jury to try William Blizard, a district officer of the United Mine Workers of America, on a treason indictment, was selected in court here to-day. A majority of the talesmen were farmers and their selection was made in record time. Before they were seated the jurors were asked if they had opinions "that would prevent you from finding a man guilty of an offence punishable by death."

## STUDENTS' BALL

## SET FOR FRIDAY

## Cadet Corps Plans Eighth Annual Function

The eighth annual ball of the Victoria High School Cadet Corps, No. 112, arranged to take place to-morrow evening in the gymnasium of the High School, promises to be one of the outstanding events of the social calendar. Among the distinguished patrons of the function are His Honor the Lieutenant-Governor and Mrs. Nichol, Brig.-General J. M. Ross, G. O. C. Military District No. 11, and Mrs. Ross and the Hon. J. D. Maclean, Minister of Education in British Columbia, and Mrs. Maclean, and as tickets are having a very rapid sale anyone desirous of attending should lose no time in making application to officers of the cadet battalion or members of the committee.

Hunt's five-piece orchestra has been engaged, and will provide a specially selected programme of the newest dance music and an excellent buffet supper will be served in the dining room at 11 o'clock.

Special lighting effects and a tasteful display of flags and bunting, with Spring flowers and foliage, will contribute to the gaiety of the scene, which will be further enhanced by the uniforms which in the case of the cadets themselves are de rigueur.

Energetic committees are in charge of the arrangements as follows: Floor and decoration, Thomas Sturge, Ben Sivertz and Jos. Hartman; ticket and programme, Ben McMullen, Edgar Wade and Mrs. Maclean; and refreshments, Balfour Straith. The function is open only to students and ex-students of the Victoria High School.

## PRETTY WEDDING AT ST. MARY'S

A very pretty wedding was celebrated last evening at St. Mary's Church, Oak Bay, when Miss Eileen Tatchell, only daughter of Mr. and Mrs. E. B. Tatchell, 124 Elberts Street, became the bride of Mr. George H. Hyde, of Saskatoon, second son of the Rev. Richard Hyde, of Regina. The ceremony being performed by the Rev. G. H. Andrews. The bride, who was given in marriage by her uncle, Mr. N. P. Buckingham, of Vancouver, looked very charming in a white satin gown, veiled with georgette, wearing a white hat to match. Miss Kathleen Buckingham, a cousin, of the bride, made a very pretty bridesmaid in a gown of orchid tulle, and Mr. W. H. Haldane, of Victoria, supported the groom as best man. The church looked beautiful with its Easter decorations, and was filled with friends of the happy couple. Mr. Blankenbach, an old friend of the family, presided at the organ. Following the ceremony a reception was held at the home of the bride, 124 Elberts Street, where a handsome onyx and diamond pendant, to the bridesmaid, an onyx and diamond pair pin, and to the best man, a cuff link, and among numerous gifts was a silver entree dish from the staff of the Union Bank, of which bank the bride has been a member for a number of years. Mr. and Mrs. Hyde will reside in Saskatoon, where Mr. Hyde is accountant in the Dominion Bank.

## WHAT WOULD HAPPEN?

There are some married couples who do nothing but argue and fight and contradict each other over trifles from daylight until dark. Of such a type were Mr. and Mrs. Fuss.

At dinner one evening they started an argument about the price of the sitting room carpet, or it might have been the gravel for the front garden.

As the fish was served the argument was getting hotter. The joint was a little warmer still, until, when the dessert arrived, both husband and wife could scarcely eat for indignation.

Then the wife interrupted herself to say to her husband, in a plaintive voice: "I didn't know whatever would happen. Paul, if you ever agreed with me on any topic."

Mr. Fuss looked at his better half and sighed. "I'd be wrong," he said, "I'd be wrong!"—Tit-Bits.

## IN WOMAN'S DOMAIN

### Social & Personal

William Trant has moved from Oak Bay Avenue to 2400 Dalhousie Street.

Mr. P. Burns, of Calgary, arrived in town yesterday.

Mrs. C. N. Gowen and Mrs. W. Watling have returned from a motor trip up the island as far as Parksville.

Mr. and Mrs. Harry Briggs returned yesterday from a trip to Nanaimo and Vancouver.

Mrs. Crane and daughter, of South Pender Island, who have been spending a week in Victoria, left on the "Otter" for their home on the island.

Mrs. Matterer, who has been visiting on South Pender Island, returned to Victoria on Tuesday and is leaving to-day for her home at Parksville.

The handsome sum of \$265.25 has been donated for the new wing of the Jubilee Hospital by the Native Daughters of B. C. Post No. 1, this sum being netted as a result of their recent cabaret entertainment. A vote of thanks to Mrs. R. E. Burnes and her capable committee, who had arranged the event, was accorded last night at the meeting of the Post, held in the Victoria club rooms. Mrs. Yates was also accorded a vote of thanks for her services in connection with lodge regalia. Between twenty and thirty members expressed their intention of accepting the invitation of the Victoria Social Laundry, to visit its plant and inspect the various processes. One new member was proposed, after which the meeting devoted its attention to business in connection with the Grand Post meeting arranged to take place next month in Vancouver.

A quiet wedding took place yesterday afternoon at the home of Mr. and Mrs. George Meynell, Durban Street, when their eldest daughter, Victoria, became the bride of Eric Marshall, of the Rev. G. H. Andrews. The ceremony in the presence of the members of the family only. The ceremony was performed under a wedding canopy decorated in the rainbow colors, similar colors being used in the floral decorations while pink and white streamers and pink sweet peas were used on the table in the dining room where refreshments were served. The bride wore her traveling suit of navy blue, trimmed with henna and hat to match. After a honeymoon trip to the Sound Cities, Mr. and Mrs. Marshall will make a trip through Vancouver Island, later making their home in Victoria.

A very successful and enjoyable event was held at the home of Mrs. P. C. Green, 347 Fowl Bay Road, yesterday afternoon, in aid of the St. Matthias Mission Church, Fowl Bay. The entertainment, which took the form of a silver tea, was largely attended, and the room was filled with their well arranged stalls and their enhancement of Spring blossoms and foliage, making an attractive and comfortable place for the guests. The very Rev. Dean Quinlan and Mrs. Quinlan were guests during the afternoon, and the church was congratulated by the members of the tea on their successful efforts. The satisfactory sum of close on \$150 was taken during the afternoon, and the balance of the stalls were as follows: Fancy work stall, Mesdames Randall and Smith; home cooking, Mesdames Williamson and Binn; candy, Mrs. Brown; ice cream, Miss Helen Green; while Mesdames Rose, Longstaffe, Thorburn and Harris presided at the daintily decorated tea tables.

The Ladies' Musical Club brought their social activities to a close for the season yesterday afternoon with a most enjoyable tea at the Empress Hotel. Gracious acknowledgment was made of the hospitality of the season's hostesses, who with Mrs. Walter Nichol and Madame Yolanda Mars, graciously gave up their afternoon. A delightful musical programme was rendered by Mrs. Longfield, Mrs. Brick and Miss Dorothy Deane, with Mrs. G. I. Gibson as accompanist. A specially interesting feature of the afternoon was the address by Mrs. Hercher on "The Psychology of Music." Among the guests were Mrs. Nichol, Madame Yolanda Mars, Mrs. Gertie Huntley Green, Mrs. Little, Mrs. Ross Sutherland, Mrs. G. C. Bushby, Mrs. D. Spencer, Miss Sara Spencer, Mrs. Hercher, Mrs. Longfield, Mrs. Brick, Miss Deane, Mrs. Gideon Hicks, Mrs. Baird, Mrs. J. G. Gibson, Mrs. Clarence Hayward, Mrs. G. O. Cameron, Mrs. Campbell, Mrs. McClure, Mrs. Umbach and Mrs. A. Ross. Assisting in serving the refreshments were the Misses G. Lavon, Miss G. Davie, Gwen Hudson, Mary Campbell, Peggy Scott, Dorothy Hicks, Betty Ingless, Helen Fontaine, Jenn McLaren, Mary Clay, Connie Elford and Mrs. Jackson.

## ALTAR SOCIETY OF ST. ANDREW'S AIDED BY TOURNEY

Through the kindness of Mrs. A. Lineham, a member for many years of the Altar Society of St. Andrew's Cathedral, a most successful bridge and five hundred tournament was held yesterday afternoon at her spacious home on Cook and Dallas Road, to augment the funds of the society. Mrs. Hallam, Mrs. Oates, Mrs. Devereaux, Mrs. Roberts and Mrs. Delahunt were responsible for a delicious tea, and had as their assistants in serving the Misses Aldersey Hallam, Helen Goward, Florence and Marjorie Oates, Bernadette Martineau, Alice Baines and Monina McKenna. During the afternoon a musical programme was rendered by the following artists: Mrs. Charles Wilson, Mrs. Styles Sehl, Miss Charlebois and Miss Marie Frensch, all accompanied by Miss Laddie Watkins in her usual artistic manner. The greater part of the work, that of conveying the tables, was in the capable hands of Mrs. A. McDermott. The fortunate winners of the bridge prizes were Miss A. Barrett and Mrs. John Hart, and of the five hundred, Miss O'Sullivan and Mrs. J. D. Carlin. Mrs. Lineham was assisted by her sister, Miss Martineau, in receiving the guests, among whom were noticed Mrs. Hart, Mrs. Chas. Wilson, Mrs. Stuart Robertson, Mrs. Barrett, Mrs. Frank Sehl, Mrs. Brady, Mrs. Fletcher, Mrs. Monteith, Mrs. George Brady, Mrs. O'Halloran, Mrs. Styles Sehl, Mrs. Watkins, Mrs. M. Carlin, Mrs. J. D. ## PILGRIMS' CLUB.

On Wednesday evening the Pilgrims' Club held a surprise party and shower at the home of Miss N. Dutton, Whittaker Street, in honor of Mrs. M. E. Bayless (nee Birch). The bride was the recipient of many useful gifts, among which was a surprise package from the members of the Crusaders. The evening was enjoyably spent in dancing and games. Among those present were Mesdames Bayless, Deaville, Hoy, Cooksley, Moffat, Jepson and the Mesdames Maloney, Jean Bryant, James Tully, Mary Olsen, Violet Welsh, Dolly Bourke, Ann Smith, Winnie Beecher, A. Whitall, Mary Jepson, Marie Abbott, E. Mainprize, C. O'Brien, N. Dutton and Messrs. B. Bayless, H. Knott, Dick Smart, B. Smilie, J. Ward, S. Lawrence, B. Chisholm, A. Cox, J. Parker, B. Nox, B. ## TO PLAY FOR CELEBRATION.

A meeting was held this afternoon by the Central Committee, Y.W.C.A. to discuss plans for the big birthday celebration which will be held at the Armory on June 7 and 8 in aid of the association's building fund. Great hopes are being centred on the project, which is being planned on wide and comprehensive lines, and which, it is predicted, will arouse as much interest and support as did the enormously popular Fair of Nations which took place a year ago. The various church organizations which are co-operating with the Y.W.C.A. will hold their preliminary meeting on May 8. This afternoon's meeting was held at the home of Mrs. W. Colman, St. David's Street.

## FOOTLIGHT SLANG.

Every trade, art, or profession has its own slang. In theatrical circles, for instance, actors are still known as "mummies" while "mummers" is a frequently-used equivalent for acting. The theatre itself is often referred to as the "gaff". The curtain is alternatively the "blind" or the "rag". The blind must come down, is a saying well known in the profession. It means that whatever misfortunes may befall the individual actor, they cannot last beyond the end of the play. "Black out"—an instruction given by the producer during a rehearsal—means "Put out all the lights on the stage." To put an actor "in the spot light" is to focus the limelight on his face. The stage is known sometimes as the "green." This is an instance of rhyming slang, the real rhyming

## FRIENDSHIP CLUB FANCY DRESS CARNIVAL

As a closing event to the Winter series held under the auspices of the Friendship Club, a banquet and dance was held on Tuesday night at the Knights of Pythias Hall, which was attended by two hundred and fifty guests. Following the banquet dancing took place, and the judging for the prize winners, wearing the best dresses, was carried out by Mrs. Brooks, Miss Dorothy Menzies, Nell Mudge and Mr. Menendez. The prize winners were: Miss S. Jayne and L. J. Anderson, best dressed lady, and gentleman; Mrs. N. Ferguson and Miss W. Williams, as the most comely lady and gentleman. In charge of the dance and banquet were Mrs. R. E. Glover and W. E. Thomson, assisted by Mrs. Logie, Miss T. Hall, Miss A. Sankie, Miss Harper and F. Dunderd. The hall and room were beautifully decorated with flags and large variety of flowers artistically decorated with flags and large variety of flowers artistically arranged. Prof. Osward's orchestra supplied an excellent musical programme. Mrs. R. E. Glover and W. E. Thomson wish to thank the members of the club for the hearty support accorded the dances throughout the season, and wish to announce that it is their intention to continue the weekly dances next season, which will be strictly invitational, as in the past season.

## Anaemia

Anaemia literally means "Want of Blood", but the term is also used to describe impoverished or weakened condition of the blood.

If you are anaemic you are in a condition of susceptibility to the attacks of disease germs. For Anaemia lessens the functional power of every organ in the body and increases your liability to serious illness.

## You need WINCARNIS at once

WINCARNIS will enrich the blood—strengthen the nerves—and restore the glow of health to your cheeks quickly and surely. For WINCARNIS is a scientific combination of the glycerophosphates of sodium, potassium, calcium with iron and manganese—the very minerals of which our bodies are composed—combined with extract of Beef and Malt and a health-giving Wine in proper proportions to be most readily assimilated into the blood.

That is why WINCARNIS is recommended by physicians and is accepted as one of the greatest tonics in the world. WINCARNIS does not bolster one up with false stimulation. Its benefits are lasting. It imparts healthful invigoration to all the organs and tissues of the body. Take WINCARNIS at once. You will eat better, sleep better and soon regain your color and rosy outlook on life. Don't delay—begin to get well to-day.

equivalent to "stage" being "green-gage." To "mask in" is to close up the scenes, while to "strike the scene" is to change the scenery.

In the theatrical world the ghost walks usually on Friday. The meaning of this mysterious sentence is that Friday is the accepted pay day for actors and actresses.

Finally, when an actor has forgotten his lines, and is in consequence dependent upon the assistance of the prompter, he is said to have "dried up."—Tit-Bits.

## PLAN TO LOWER MINIMUM WAGE

Petition of Manufacturers Granted by Board  
Public Conference to Be Held in May

British Columbia manufacturers have petitioned the Minimum Wage Board for a reconsideration of the minimum wage of \$14 a week for experienced female help in industry in this Province, and the request has been granted. It is announced by J. D. McNiven, chairman of the Board, that the move on the part of the manufacturers to reduce wages will affect the pay of between 1,600 and 1,800 girls and women.

The new rate will be set at a conference composed of three representatives of employees, three of manufacturers and three disinterested persons, who will hear both sides. The Board will put into effect the decision of this conference.

The hearing to establish the new minimum rate will be held in May, after the lower scale of pay has been set by a similar conference for 800 women employed in the fruit and vegetable canning trades.

The proposed minimum rates of pay for inexperienced help will not be put into force until after the rates for experienced help are fixed.

The present minimum for experienced employees was established in September, 1919.

**MARK ANNIVERSARY OF I.O.O.F. FOUNDING**

Members of Three Victoria Lodges Observe Function

Members of Victoria No. 2, Columbia No. 2 and Dominion No. 4, of the I.O.O.F., celebrated the 103rd anniversary of the establishment of the order last night.

The degree team, consisting of members who passed through the office of Noble Grand prior to 1900, were the guests of honor.

The team present last night were as follows: N.G. R. Marwick, Lodge No. 2; V.G. J. Pottinger, No. 2; J.P.G. R. A. Anderson, P.G.P. No. 4; Chaplain P. A. McLean, No. 1; Conductor G. T. ## PROSPECTOR TAKES EXCEPTION TO MINING REPORT

Criticizes Official Report on Cedar Creek Workings

Charging that the report of L. A. Dodds, Government Agent, to the Hon. Minister of Mines, was not representative of the situation in the Cedar Creek district, F. B. Hobson returned to this city yesterday. Mr. Hobson is the son of the late F. B. Hobson, formerly well known here.

The report was made last Fall, and may have been indicative more closely of the prevailing conditions then, stated Mr. Hobson to The Times. It is on the issue of water supply for rockers, ground sluices and small hydraulic plants that the prospector takes issue with the Dodds' report.

**Water Available.**  
Seepage water will be available all the year round, he thinks, while an adequate supply of the district, not yet attempted, would reveal plenty of water for all purposes.

The mining will be rockier and sluicing the year states Mr. Hobson, but he eventually resolve itself into small miners, with the more experienced, miners making the best returns.

The prospector also takes issue with the report in the statement that Platt and Lyne scarcely "made wages" last year. While at Disco, every this time Mr. Hobson states he saw \$150 to \$200 worth of gold being taken from the Platt claim in four hours. A sample of this gold was brought to town by Mr. Hobson, containing some relatively large nuggets.

**Survey Necessary.**  
The district at Quessell Dam leads him to believe that seepage water will be available all the year round, and that abundant water power could be obtained for all purposes, if a proper survey be conducted with that end in view, states Mr. Hobson.

Seasoned "hardboilers" from the Yukon fields, and others are seeking gold further back in the hills, states Mr. Hobson, who tells of the hardships and loss of "tenderfeet" under the working conditions there. None but experienced men should attempt to make a strike at Cedar Creek. The real truth of the field will not be known until hydraulic methods are used to sluice the canyon paying quantities, he states.

Wild-cutting and bogus operations have commenced, states the prospector, who says he finds much of that type of exploitation in the coast cities.

## CRUELTY CHARGES HEARD IN COURT

Three Cases Before Saanich Court Yesterday Afternoon; Fines Imposed

In the Saanich police-court, held by Magistrate Jay yesterday afternoon, John Brothstone was fined \$15.00 on a charge of cruelty to animals.

It was alleged that Brothstone tied his horse to a tree with a chain and hit it over the head for five minutes with a stout oak stick.

The accused denied the allegations and produced a light switch with which he sought to correct the obstinate animal, he stated. Witnesses for the defence and prosecution disagreed.

In the mass of conflicting evidence Magistrate Jay stated he could not ascertain how much of the cruelty alleged was committed, but that there was no doubt that the accused had not been too kind to his horse.

John Quin, a Chinese wood yard proprietor, was remanded for one week on a similar charge. Quin was alleged to have tied a horse which had a sore on its hip before the case came to court again.

H. M. Hills, charged with permitting a dog to run at large, was remanded on his farm at Colquitz, was fined \$15.00. The defendant pleaded that he had been away from the farm, taking care of a brother's place, and that his little son had neglected his cow stables. E. L. Tait appeared as prosecutor for the municipality.

## ECZEMA ON FACE AND HEAD FOR FIVE YEARS

Eczeema or salt rheum, as it is so often called, manifests itself in little round pimples which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed and the intense burning, itching and smarting, especially at night or when the part is exposed to a strong heat, is almost unbearable and relief is gladly welcomed.

There is only one way to get relief and no remedy like

**BURDOCK BLOOD BITTERS**  
Take it internally and it gets at the seat of the disease in the blood and drives it out of the system.

Apply it externally and it takes out the itching, stinging and burning, and promotes healthy healing.

Mr. J. Sand, 215 Princess Ave., Vancouver, B. C., writes: "Having suffered with eczeema on the face and head, for the last five years, I consulted several doctors, and tried various kinds of salves and lotions, but I derived no benefit from any of them. I did not know what to do until a friend advised me to try Burdock Blood Bitters, and after I had used two bottles I began to get better and now after taking eight bottles I have not even a blotch on me. I feel that I cannot praise B. B. B. too highly. I hope you will make full use of this recommendation for the benefit of those who are suffering from this terrible complaint, eczeema."

## FOR CHILDREN THE SANDMAN STORY FOR TO-NIGHT

MR. WOODPECKER SHOWS UP MR. FOX

The wood folk had become so used to thinking that Mr. Fox was the smartest and wisest of animals that they called on him to look at their new homes or gardens when they made one, in fact anything that was made in the woods was good or not good according to the judgment passed upon it by Mr. Fox.

No matter whether it was really fine work or not Mr. Fox would always look at it with a critical eye and then turning his head to one side with a paw holding one cheek would remark, "Yes, I think you have an almost perfect doorway, Mr. Rabbit," if it happened to be Mr. Rabbit's house he was examining, "but I think you should make a little bit broader—or, you should not have it so wide."

Then he would be changed to suit Mr. Fox and pronounced perfect and so Mr. Fox began to think that no one could do anything in the woods unless he had a voice in the matter.

Mr. Bear had to build his chimney over one year because Mr. Fox said it would not be worth a thing unless he widened it at the top, and even Mr. Owl, wise as he was, had to change his doorway because Mr. Fox told him it was not right, and all because everybody thought Mr. Fox was so smart.

At least that was the way in which Mr. Woodpecker looked at it, and when he decided to make a home in the tree near the path he made up his mind that Mr. Fox should be shown up for what he was—just a fault-finding critic who knew nothing about the work of the other animals.

"You just hang around," said Mr. Woodpecker to Mr. Possum one day. "See if I do not prove that Mr. Fox doesn't know when a thing is right or wrong. He just says change it and then he says, 'There, that is better.' I am going to fool him."

Mr. Coon and Mr. Possum had been criticised many times by Mr. Fox and they had grown pretty tired of it, so they were glad enough to watch and see what Mr. Woodpecker did.

One morning after Mr. Woodpecker and his wife had hammered away at the tree until they had hewed out a place to suit them, came Mr. Fox. "Good morning," said he. "You

are building a home in our woods, I see. Well, now, I shall be pleased to give you the benefit of my superior judgment. Just move aside that I may get a better view."

In the tree near the top Mr. Coon and Mr. Possum were watching, and Mr. Woodpecker meekly obeyed, for he intended to prove right then and there how much Mr. Fox really knew about the work he pretended to judge.

"Well, you two have done pretty well," he said, "but, Mr. Woodpecker, if you would chisel out a little more at the left I think the shape of your doorway would be much improved. Yes, that is what it needs, cutting out a little more."

Mr. Woodpecker let the sawdust fall into the hollow as he works so that Mrs. Woodpecker will have a soft place for her eggs, and when Mr. Fox said the doorway should be changed he flew straight to the place as if he were to work, but instead he went into the hollow.

He appeared again in a second. In his bill Mr. Woodpecker had some sawdust and instead of cutting away the wood he just touched the tree

with his bill and let the sawdust fall so Mr. Fox could see it.

"There, that is much better," said Mr. Fox as Mr. Woodpecker flew away. "You have made a perfect doorway now, Mr. Woodpecker."

But Mr. Coon and Mr. Possum had seen what had happened and they began to laugh while Mr. and Mrs. Woodpecker flapped their wings in glee at the way Mr. Fox had been fooled.

He did not do a thing to the doorway," called Mr. Coon. "Mr. Fox, you don't know a thing about anything you criticise and we are going to tell everybody in the woods how Mr. Woodpecker fooled you."

Mr. Fox did not stop to hear any more. He trotted off through the woods at a pace that plainly showed he knew it was best not to stop until he was far away from there.

**HURT HIS FEELINGS**  
Jones was the hope of his side. "Centre, Mr. Umpire," he called. "No, give me middle and off. Stay, I'll have middle and leg."

Then the gallant captain patted the ground with his bat and plucked several blades of grass. At last he bent to the willow, and the ball had almost left the bowler's hand when he requested that the screen behind the bowler be moved a little to the left.

There were one or two more fake starts, but at last he was in position and the spectators waited breathlessly for a brilliant batting display.

The ball left the bowler's hand, the captain made a vicious stroke, and his stumps flew in all directions.

It was a very disconcerting captain who returned to the pavilion, and he was more depressed still on hearing a wag cry out, "Hard lines, captain! Just as you was getting set, too!"—Tit-Bits.

Stops Pain Instantly

The simplest way to end a corn is Blue-jay. A touch stops the pain instantly. Then the corn loosens and comes out. Made in two forms—a colorless, clear liquid (one drop does it) and in extra thin plasters. Use whichever form you prefer, plasters or the liquid—the action is the same. Safe, gentle. Made in a world-famed laboratory. Sold by all druggists.

### NEWS IN BRIEF

**Appointed to High School Staff.**—F. N. Bennett has been appointed to the staff of the Victoria High School to take the place of Mrs. M. E. Godson, who has resigned.

**Roof Fire Slight.**—A roof fire at 1003 Vancouver Street shortly before 7 o'clock last night gave the department a short run to extinguish the blaze. The damage was slight.

**Ward Seven, Saanich.**—Ward Seven, Saanich Ratepayers, will meet at Tillicum School, at 8 o'clock tomorrow night, to discuss, among other matters, the question of taxation of improvements.

**Postponed.**—The five hundred party and dance arranged by the Young Conservative Club for this evening has been unavoidably postponed to a date which will be announced later. Unforeseen circumstances force the club to cancel to-night's function.

**Women's Club Meeting.**—The Women's Conservative Social and Educational Club will hold its usual meeting on Friday at 8 o'clock in the Campbell Building. Mr. R. H. Pooley, M.P., will give an address, and there will be vocal numbers by Miss Ida Taylor.

**Canadian Scottish.**—The First Battalion Canadian Scottish will hold a route march on Saturday evening parading at the armories at 7.30, dress, drill order. The parade will be headed by the pipe band and will proceed through the main streets of the city.

**Faces Serious Charge.**—Charged with an indecent assault, P. F. Croft was arraigned in the city police court this morning. J. A. Aikman appeared for the accused, with City Prosecutor C. L. Harrison for the Crown. The hearing is proceeding in camera.

**To Inspect Supplies.**—City Engineer F. M. Preston will go to Seattle to-day to inspect supplies to be used in the construction of the new Johnson Street Bridge. No tenders for supplying these materials were submitted by local firms, Mr. Preston states.

**"Bob" Harvey Back Home.**—"Bob" Harvey returned to Victoria yesterday after spending a year at Dalhousie University, Halifax, studying law. Bob is one of the most enthusiastic members of the Victoria Gyro Club, and when he reached Halifax last fall and found no Gyro Club in that city he at once set out and had one organized. The Victoria club gets the credit for the organization. He said he is glad to be back in Victoria.

**Ward Five Liberals.**—A large attendance of Ward Five Liberals and their friends is looked for at to-morrow evening's entertainment at the Liberal Club. A game of five hundred will be played from 8 to 10 o'clock, and dancing will follow. Those who wish to continue playing cards being at liberty to do so. The ladies of the ward will provide refreshments. The affair will take the form of a members' social and is for the purpose of adding to the paid-up membership of Ward Five. A small charge will be made for those who attend, and do not care to take out a membership.

**Will Seek Information.**—At the regular monthly meeting of the British Campaigners' Association, held on Tuesday night, with Captain J. Gordon Smith in the chair, W. J. Edwards, secretary of the Campaigners for the past nine years, was again chosen to fill that position. After discussion of the Imperial pension situation, the secretary was instructed to communicate with Ottawa to ascertain if any increase was planned in the scale paid to ex-Imperialists now on pension. The extension of the Canadian Pension Act to include former members of the regular forces who were invalided before the war and thus could not serve overseas will be sought. A feature of the evening was a spirited address by Col. C. W. Peck, V.C., who paid a tribute to the useful work done by the association in keeping fresh the memory of British campaigns.

## VETERANS FAVOR REFERENDUM

Strong Condemnation of Blue Sunday Issued by Amalgamated Veterans

Despite the fact that a small number of the 150 present were qualified to vote in the city, the Amalgamated Veterans' Association, in session last evening, passed a resolution favoring a referendum on the Sunday Closing question, being confident that such an appeal to the public would give a decisive negation of the police board policy. It was contended.

**Condemn, Blue Laws.**  
The resolution embodied a strong condemnation of "Blue Sunday" laws. It stated that while the Veterans are in favor of one day in seven being observed as a rest day, they object to the Sabbath being named as a compulsory rest period. H. D. Twigg occupied the chair, the meeting dealing with a mass of routine business. Before closing H. D. Twigg gave his reasons for resigning from the Dominion Directorate of the Army and Navy Veterans, being applauded at the conclusion of his explanation.

## CALLS COUNCIL TO DECIDE ABOUT PLEBISCITE ISSUE

Mayor Introduces Bridge By-law and Asks Decision on Referenda

Vote May 11 or 12; Woodward May Resign; Would Not Stand Again

The City Council will be called into special session to-morrow afternoon to decide definitely when it will submit the new Johnson Street Bridge Loan By-Law to the electors, and whether it will ask the electors to vote immediately on the Sunday Closing, improvement tax and weekly half-holiday questions or not.

Mayor Marchant made this announcement to-day after he had posted formal notice on the City Hall notice board that he would introduce the "Johnson Street Bridge Additional Loan By-Law, 1922," to-morrow, May 11 or 12 will be the date of the vote on the by-law, and other plebiscites if they are held, it was stated.

Unless the petition asking for the submission of a plebiscite on the Sunday closing question is filed at the City Hall within a few days it may be impossible to hold such a plebiscite with the bridge loan vote in May. City officials stated to-day. As a matter of fact, the Council will be asked to decide about the Sunday plebiscite to-morrow, and it is hoped that the petition on the subject will be on file by that time.

While there is little opposition to the Sunday closing plebiscite, the Council majority which is putting through the improvement tax has no desire to allow the electors to vote on the tax question. The single-taxers argue that it would be quite inconsistent to submit a plebiscite on Sunday closing, and not on the improvement tax question also.

It will be impossible to submit a plebiscite on the weekly half-holiday question unless a by-election also is held in May. This is provided for in provincial legislation. Announcement by Alderman E. S. Woodward last night that he was considering the advisability of resigning from the Council caused the impression that he would do so in order to make it possible to introduce the half-holiday question next month. The Alderman stated to-day, however, that reports about his resignation had been garbled.

"If I resign it will be simply because I wish to be freed from Council duties and not because of the half-holiday question, the improvement tax or any other issue now before the electors," he declared. "If I resign I certainly shall not stand again for re-election. The report that I was thinking of resigning to run again, on a platform opposed to the improvement tax is untrue. The only thing that is keeping me on the Council now is the taxation issue. If it were not under consideration I certainly would resign. I cannot afford the time required by the chairman of the Finance Committee. However, I have made no decision and will not do so for a few days until I have had an opportunity to consider it further. The only reason I would resign just before the submission of the new Bridge By-law would be the fact that a by-election held simultaneously with the by-law would be cheaper than an election at some other time in the year. As for the half-holiday question every one, I think, is prepared to leave it until the annual election next December."

## PNEUMONIA IS CAUSE OF MACGILL'S DEATH

In connection with the death of Hugh MacGill, former ship's carpenter of the C. G. M. M. Canadian Importer, the medical authorities issued a report on their investigation to-day. Death, it is stated, took place from an attack of pneumonia, which had been contracted within a week of the sudden death of MacGill, while he was confined at St. Joseph's Hospital.

## NERVOUS BREAKDOWN COULDN'T SLEEP NIGHTS

To those on the verge of a nervous breakdown the following symptoms present themselves: nervous headache, a feeling of depression, a disturbed, restless and unrefreshing sleep, often troubled with frightful dreams, avoidance of crowded places, dread of being alone, horror of society, etc.

When the nerves become affected in this way the heart generally becomes affected, too, and on the first signs of any weakness of the heart or nervous breakdown or physical breakdown do not wait until your case becomes hopeless, but get a remedy that will at once quieten the nerves, strengthen the heart and build up the entire system.

**MILBURN'S HEART AND NERVE PILLS**  
Mrs. M. Damgang, Young's Cove Road, N. B., writes:—"I was bothered very much with heart nervousness, had nervous headaches and dizziness, could not sleep at nights, and my appetite was all gone. I was on a nervous breakdown, and a neighbor told me to try Milburn's Heart and Nerve Pills. This I did, and before I had the second box used I was better and would advise anyone who has nerve trouble to take them."

Price, 50c. a box, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

ROYAL VICTORIA

A canine star is making his debut in "The Silent Call," the Laurence Trimble-Jane Martin production, presented by H. O. Davis and distributed by Associated First National Pictures, Inc., which is being shown at the Royal Victoria Theatre this week. The dog shows a canine intelligence that is striking.

H. O. Davis has selected for his story "Hal G. Evans' "The Cross Pull," which was published in The Saturday Evening Post.

The plot deals with Western life around the High Sierras and calls for a dog in its leading delineation. The producers spent months of investigation searching the foremost kennels of this country and Europe before they came upon Strongheart, the Belgian police hound who takes the role of Flash in the picture.

Flash is a cross between dog and wolf, and the development of the picture shows the two strains in him struggling for mastery. Because human domination becomes intolerable he breaks his chains and goes to the mountains where he mates with a full-blooded wolf.

In the end, however, the human instinct of loyalty is too strong to withstand. When he senses that the human beings who claimed his affection are in danger, Flash returns to the fold in time to effect a thrilling rescue.

While the police dog, as a distinct novelty in motion pictures calls for unusual attention from audiences, the story is admirably acted by an all-star cast which includes: John Bowers, Kathryn McGuire, William Dyer, James Mason, Nelson McDowell, E. J. Brady and Robert Heider.

## CAPITOL

Bert Lytell, immersed in the production of "Alias Ladyfingers," the Bayard Veiller production for Metro, now showing at the Capitol Theatre, paused before the camera before the camera to powder a pair of extra heavily sunburned hands. Director Veiller looked at the brown-hued members also.

"That's a fine bunch of fives to call 'Ladyfingers,'" the director said. "I'm afraid so," admitted Lytell. "Let's change the name to 'Chocolate Delights.'"

In recognizing big, vital problems that confront "average America," and presenting them in a vigorous style that make people say "she means me," in "What Do Men Want?" Miss Weber has put her best effort into producing a pulsating drama of American life that will "hit home" to millions of people. It is a story that applies to every community and the biggest centres of population.

What Do Men Want? At the Dominion Theatre, is Lois Weber's greatest picture which means something to movie fans who recall the popularity of "Where Are My Children?" "To Please One Woman," "Scandal," "The Biot" and other Weber successes.

## VARIETY

Rarely does a production company travel as many thousands of miles from its base of operations to film outdoor scenes as was done in photographing "The Heart of the North," which is being shown at the Variety Theatre this week. At great expense, beautiful exterior scenes were photographed in Canada, the locale of the story.

## "MR. PIM PASSES BY"

The Players' Club of the Provincial University are using for their seventh annual performance that recent refreshing work of A. A. Milne named "Mr. Pim Passes By."

That this delightful comedy is an outstanding success is shown by the fact that it had a year's run at the Garrick Theatre in London, with Irene Vanbrugh as Olivia, and was represented over two hundred times at the Garrick and Henry Miller's Theatre in New York. Last November the original New York cast gave an accurate and effective interpretation of the play at the Princess Theatre in Toronto. Laura Hope Crews, by her convincing natural portrayal of Olivia Marden, showed herself an actress of experience and talent.

Miss Alison Brackenbury, as Miss George Marden's niece, was delightfully vivacious and amusing. Dudley Digges, as George Marden, gave a faithful portrait of a man who was a shipper of the traditions of his ancestors, while at the same time influenced by modern conventionalities.

While Erskine Sanford was a life-like exponent of a senile gossip who flits from place to place.

The author of this play is Mr. Milne, a man who chaffs his friends because he likes them, and his enemies because he bears no malice. Of the younger authors he alone has shown a distinct individuality, and has struck a personal note of his own. Mr. Milne has the precious gift of being able to pretend the most nonsensical things. He can make his characters talk insubstantial nonsense with better grace than any other writer. This is his strength. This is full of the most delightful nonsense, whether it is spoken by two happy young creatures whose lives are full of make-believe, or by less enviable unconcernedness by their elders. It is all high-spirited, infectious and gracefully amusing.

Richard Walton Tully, accompanied by Mrs. Tully, has left New York for Los Angeles, where he will immediately start preparations for his second big picture to be released through Associated First National. The purpose of Tully's visit here was to deliver to First National the finished negatives of his first picture, "The Masquerader." Based upon the successful stage play of six years, and in the screen version of which Post makes his screen debut, "The Masquerader" has previously been scheduled for release this Spring, but First National is so impressed with the magnitude and potential earning possibilities of the feature, that they decided, in conference with Mr. Tully, not to release the picture for hot weather exhibition, but to withhold it till Fall, when it will be their first big release of the new season. Meanwhile, Tully will commence work on his second feature, which will be a screening of his own Oriental drama "Omar, the Tentmaker," based upon the life and works of the Persian poet Omar Khayyam, in which Tully Post appeared for four years previous to "The Masquerader," and in which he will also star on the screen.

# EFFERVESCENT SALT for Biliousness

## CAPITOL HOUSE AT "WITHIN THE LAW"

## Remarkable Reproduction of Crook's Profession Shown

Never before has there been so gripping, so thrilling and so exciting a drama as "Within the Law" at the Princess.

It was greeted with vociferous applause from a capacity house at the popular Yates Street theatre last evening, when the Princess Players made their initial appearance.

In one case during the play, so gripping was the production, that patrons went as far as to display a desire for quietness during a dramatic scene, which not only brought to the fore the ability of the actor in producing such an effect, but also the remarkable aptitude the stage hands have acquired in producing the still, mysterious air throughout the theatre.

The chief role is ably handled by Violet Neitz. It is impossible to tell who is the leading character between Jack Phipps and Harry Lealand, so well balanced is the play. Both men display a loyal character in their acting, although Harry Lealand acts as Joe Garson, an inveterate forger, while on the other hand Jack Phipps is the son of Edward Guider, which part is taken by Howard Foster. It is through this boy's father that Mary Turner (Miss Neitz) goes to prison.

Robert Thom and William Campbell assume the role of police officials, while Ernie Impitt, a new member of the company, acts as a lawyer. Lily Dooley also takes a prominent part in the play.

Owing to such strong and numerous requests being made for a comedy riot, "Three Live Ghosts," which played at the Dominion a month ago, hundreds being turned away nightly through lack of seating capacity. The attraction is the first production that the Dominion has re-engaged for a second run in three years, and should prove welcome to the fans who have enjoyed the wonderful run of English and Scotch pictures shown at the Dominion and Capitol Theatres in the past.

George Marden's niece, was delightfully vivacious and amusing. Dudley Digges, as George Marden, gave a faithful portrait of a man who was a shipper of the traditions of his ancestors, while at the same time influenced by modern conventionalities.

While Erskine Sanford was a life-like exponent of a senile gossip who flits from place to place.

The author of this play is Mr. Milne, a man who chaffs his friends because he likes them, and his enemies because he bears no malice. Of the younger authors he alone has shown a distinct individuality, and has struck a personal note of his own. Mr. Milne has the precious gift of being able to pretend the most nonsensical things. He can make his characters talk insubstantial nonsense with better grace than any other writer. This is his strength. This is full of the most delightful nonsense, whether it is spoken by two happy young creatures whose lives are full of make-believe, or by less enviable unconcernedness by their elders. It is all high-spirited, infectious and gracefully amusing.

Richard Walton Tully, accompanied by Mrs. Tully, has left New York for Los Angeles, where he will immediately start preparations for his second big picture to be released through Associated First National. The purpose of Tully's visit here was to deliver to First National the finished negatives of his first picture, "The Masquerader." Based upon the successful stage play of six years, and in the screen version of which Post makes his screen debut, "The Masquerader" has previously been scheduled for release this Spring, but First National is so impressed with the magnitude and potential earning possibilities of the feature, that they decided, in conference with Mr. Tully, not to release the picture for hot weather exhibition, but to withhold it till Fall, when it will be their first big release of the new season. Meanwhile, Tully will commence work on his second feature, which will be a screening of his own Oriental drama "Omar, the Tentmaker," based upon the life and works of the Persian poet Omar Khayyam, in which Tully Post appeared for four years previous to "The Masquerader," and in which he will also star on the screen.

## West's Groomed, Meet Vancouver Champs

First Game in Play-off for Junior Football Championship of Province Will Be Held Here on Saturday Afternoon — Local Boys Awaiting the Gons

Saturday's soccer card is reserved for the Juniors. The first game in the play-off for the British Columbia championship will be staged at the Royal Athletic Park at 4 o'clock and the participants will be the Victoria Wests and Riverview, of Vancouver. The Mainlanders will come over on the afternoon boat on Saturday and proceed straight to the playing field.

A great deal of interest is being taken in this game. Until the Wests and Saanich Thistles appeared in the play-off here for the city title a lot of folks thought that they were a bunch of shavers who could hardly step over the ball. It was a very pleasant surprise for the fans to see that the two teams were made up of powerful, well-set-up boys who could kick like mules, run like deer and shoot like machine guns. They are a distinct credit to the city and will provide plenty of talent for the future senior teams.

**Have Plenty of Heart.**  
The fans are hoping that the fans will turn out on Saturday and see them go through their paces. Being a tireless lot, they are able to keep on the ball. They certainly show more heart and courage than many of the veteran players.

The Wests are counted on carrying off the title this year. They have a very smart aggression. If they are successful in defeating Riverview they will meet the Nanaimo and district champions, who pulled the bye in the official draw.

Alex Stevens, who takes a big interest in athletics in Victoria West, reports that the Wests are in grand shape for the game. They have been in steady training and are full of fight.

Percy Payne will handle the whistle.

Ladysmith's intermediate team was capable of taking the measure of the crack Nanaimo senior team once again in the replay for the Brackman-Ker Cup at Nanaimo yesterday afternoon.  
It came as a hard blow to Nanaimo as it eliminated the Coal City from a chance in the British Columbia soccer championship. These two teams met previously and the Ladysmith boys won by 1-0, but Nanaimo protested on the ground that the referee was not a recognized official. The protest was allowed and the game was ordered a replay. The result, however, proved to be exactly the same. The teams played on even terms during the regulation period, but the overtime Ladysmith scored a goal. Ladysmith has a wonderful lot of intermediates who can play all night.

Ladysmith will now play off in the final.

**VANCOUVERERS ARE VERY AMBITIOUS**  
U. S. Official Says Picked Team Could Trim Anything in England; Perhaps?

Toronto, April 27.—The assertion by Thomas W. Cahill, secretary of the United States Football Association, that he could not pick a team to beat anything in England, has opened up a lively debate into which Dave Roy, the secretary of the U.S.F.A., has entered with apparent relish. Mr. Roy assumed Mr. Cahill to mean a "British team" and not a selection confined to England, and he does not agree with those critics who accuse Mr. Cahill of looking for cheap publicity because he feels that Mr. Cahill honestly believes anything he has stated to be true, although Mr. Roy does credit the American with a wonderful optimism and a most vivid imagination.

"An important point," writes Mr. Roy, "is that if the United States officials think that an All-American team is the best they have, why did they not produce such a team against the Scots last summer? As a matter of fact, quite a fair proportion of their players during the game were Old Country second grade professionals, and, moreover, some of their players were in several different games against the Scots, and were carried from different states for the purpose, but each attempt failed."

Canada and U.S.  
"If Mr. Cahill's article, however, and this reply, will make for international exchanges, then something big will have been accomplished. First, however, I think that both the U.S.F.A. and ourselves should start the ball rolling with representative games against each other, with a view to 'fairly representative teams of the U.S.A. and Canada have met from time to time, when the exchanges have been fairly even, but I have no hesitation whatever in saying that both of these countries are at least ten years behind British football at the present moment."

## RUSH OF NEW YORK TEAMS IS HALTED

Philadelphia Clubs Succeed in Stopping Giants and Yanks

New York, April 27.—The Giants and Yankees were temporarily halted yesterday in their dash for the pennant by both Philadelphia teams. The Athletics broke the Yankees' streak of seven straight wins, pulling the game out of the fire in the ninth inning, while the Phillies were outlasting the world's champions six to four in a game featured by four home runs.

The Giants gave the Cubs an opportunity to crowd into a tie for the league leadership, Alexander earning a ten-inning decision over Babe Adams, of the Pirates, in a battle of veteran hurlers. Roy Grimes's three hits knocked in all of Chicago's runs.

**Williams Halted.**  
Kenneth Williams's home run streak in which he collected six in four days was stopped when Cole pitched Detroit to victory over the St. Louis Browns. As Cleveland also met defeat at the hands of the White Sox, the Yankees' record of their margin over their nearest rivals.

Four Red Sox pitchers were hit hard by Washington for 19 hits and 16 runs, giving the Senators a clean sweep of the series.

**Recruits Did Well.**  
Two Brooklyn recruits, Pitcher Vance and Catcher Hurling, were mainly responsible for the 10 to 1 trimming handed to Boston. Hurling knocked in six runs and scored two himself with a single, double and triple.

Rixey pitched Cincinnati to their second victory of the season, a three to nothing shutout over St. Louis.

**HIGH SCHOOL GIRLS ARE CITY CHAMPS.**  
Defeated V. I. A. A. and Captured First Ladies' City Basketball Title

An irresistible desire to conclude their season in City Basketball League with an unbroken string of victories moved the Victoria High School girls last night, and they defeated the renowned V. I. A. A. ladies' squad by a score of 22-11. The teams finished the regular playing season in a tie, and the play-off was arranged.

The whistle hadn't blown but one minute before the school girls showed their opponents the kind of team they were made of. The game was a real battle, and the Victoria girls' matchless player, tallied the first score of the evening. She was assisted by Dorothy Melville, who was also a prominent player. The Victoria girls' team, Isobel Crawford, worked well together, and between the two of them they made the score board resemble a change of scores.

**V. I. A. A. Aried Hard.**  
Gladys Elliott, a consistent player, lead the playing for the V. I. A. A. aggregation despite the fact that she scored no points outside of two penalties. She was all over the floor. Mrs. Davies also displayed some excellent checking helped keep the score from growing too fast. Play during the greater part of the evening was around the V. I. A. A. hoop, and it was perhaps the lack of combination that the game was lost by them, for the work at checking was certainly incomparable. Una Shakespeare and Doris Humber were very quiet during the opening stages of the game, but with their entry again in the second half began to pick up, and by the end of the game the closing up of the wide margin between the two scores. Una Shakespeare contributed two baskets for her team, while the checking supplied by Doris Humber during the second spasm greatly reduced the speed of the school girls' team. Mrs. Davies secured the honor of being leading point getter for her team, securing two baskets and a penalty for five points. Mrs. Wallace played in a commendable way, assisting the stopper, which was the largest of the fixture. Muriel Daniels and Pinky Grubb showed good judgment in feeding their right forward with the ball, but these two girls also came in for some scoring. Muriel securing six points and Pinky Grubb five. Dorothy Melville and Florrie Gates were there in a defensive position, and guarded their net in a capable manner, checking their opponents at every turn of the game.

The line was as follows:  
Victoria—High—Isobel Crawford, Pinky Grubb, Muriel Daniels, Dor-

## Will Be Given Chance to Regain World's Sculling Championship

London, April 27.—(Canadian Press Cable)—According to a Reuter dispatch from Wellington, N. Z., James Paddon, who won the world's sculling championship on April 18, when he defeated Harry Radford in New Zealand, has agreed to meet Richard Arnst for the championship on five hundred pounds, the event to take place within three months. Arnst lost the world's championship to Radford on January 5 last.

## HAWAII DAVIS CUP TEAM MAY DEFAULT

Honolulu, April 27.—Hawaii will probably default in the first round of the Davis Cup matches, because of the insistence of the National Association that Hawaiians play the Czechoslovakian team at Prague. The decision to default has not yet been reached, and will be considered at a meeting soon, but Castle said it would be impossible for the Hawaiians to go to Prague.

**Newsies Lost.**  
The Newsies and V. I. A. A. game was a walk away for the V. I. A. A. who secured forty points to the Newsies' 10. Dunn and Passmore were the star players for the V. I. A. A. while Horold and Veitch tried their best to stop the unceasing flow of scores, but were unsuccessful. The line-up was as follows:

Underwood, Wachster and McLennan.  
Newsies—Horold, Veitch, Bothwell, Allan and Corwell.

**IS RUTH GETTING READY TO RETIRE**

Marlboro, Mass., April 27.—Babe Ruth will become possessor of a 140-acre farm valued at \$12,000 in South Sudbury, near here, through articles of agreement signed to-day. It was announced by Attorney J.H. Shaughnessy, who represents the owner, Ruth spent his winters in South Sudbury when with the Boston Americans, chopping wood.

**"HAPPY" FELSCH SUING FOR PAY AND BONUS**  
Milwaukee, Wis., April 27.—Suit for back pay and bonus alleged to be due him by the Chicago American League baseball club was filed in circuit court yesterday by Oscar ("Happy") Felsch, former member of that club, through his attorney, Ray Cannon.

## English Cup Finals Down For Saturday

Huddersfield and Preston Will Figure in Classic of Soccer; Fifty Years Since First Competition Was Staged; Cup Has Had Romantic History; Was Once Won Three Consecutive Times By Same Club, But That Never Happens Now

By PERCY J. MOSS.

London, April 27.—No sporting trophy has a more fascinating history than the Football Association's English Cup. Every corner of the land is interested in its final destination each season. This is the jubilee year of the competition. The Wanderers' first win in 1872, the year the interregnum from 1915 to 1919 marks the number of competitions concluded up to date only 46.

The early days of the Cup were full of enthusiasm for football to nothing but rather than a spectacle. It provided splendid sport for clubs in the London district and the South, and it was only very gradually that the North and Midlands took a big hand in the struggle. It is, therefore, interesting to note that the famous Queen's Park amateurs from Glasgow, and Donnington School, Spalding, were the only northern sides to compete in 1872.

**Fifteen Competitors.**  
The fifteen sides which entered for the "old tinpot," as it was affectionately called—were: Arsenal, Crystal Palace, Clapham Rovers, Donnington School, Hampstead Heath, Harrow Chequers, Hitchin, Maidenhead, Marlborough, Queens Park, Reigate Priory, Royal Engineers, Upton Park, and the Wanderers.

Wanderers beat Old Etonians in the final round, which was a 2-1 victory. The Wanderers' first win in 1872, the year the interregnum from 1915 to 1919 marks the number of competitions concluded up to date only 46.

**The Wanderers' First Team.**  
Lord Kinnaird, then the Hon. A. F. Kinnaird, who subsequently won five Cup medals, was not in the Wanderers' first team, but C. W. Alcock, for many years secretary of the Surrey Cricket Club, was a member.

By the way, C. W. Alcock played in the historic match of 1896 between London and Sheffield, and was the first player to be ruled offside in an important match.

The Wanderers won the competition again in 1873, and the Hon. A. F. Kinnaird won his first five Cup medals.

The story goes that in one of these early ties Alcock asked Kinnaird, "Are we playing football or are we hacking?" And the answer came pat "we're hacking!"

Oxford University figured in the final ties of 1874, 1877 and 1880, and won it in the first-named year. Royal Engineers and Old Etonians had to have two meetings in 1875 before the soldiers captured the trophy.

## London Is Anxious To Glimpse Return Bout

SUZANNE GETTING INTO OLD STRIDE

Played Well Yesterday and Will Go to Brussels, Paris and Wimbledon

Monte Carlo, April 27.—Mlle. Suzanne Lenglen confirmed to-day the reports that she was going to Brussels for the international hard court tennis championships beginning May 13, and would take part in the French championships in Paris early in June.

"At the end of June," she added, "I shall be in Wimbledon for the world's grass court championships, where I hope to meet Mrs. Mallory, Miss Ryan, Mrs. Beamish, Miss McKim, Miss Goss, and Mrs. Satterthwaite." In play here yesterday Mlle. Lenglen was at the winning end of two love sets with Miss Goss, who is considered one of the best Americans ever to play at the Beauséjour championships next week. She then, with King Gustav, of Sweden, as partner, defeated M. Manset, of France, and Miss Robinson Easley, of the United States, 6-1, 6-1.

Paris, April 27.—Jack Dempsey yesterday afternoon received an attractive offer from a group of prominent English sporting promoters to meet Georges Carpentier, the French champion, in London some time in the Summer, provided Carpentier defeats Ted "Kid" Lewis on May 11.

Neither Dempsey nor Manager Kearns would disclose the terms of the offer, but Kearns said it involved an immense purse and that Dempsey would probably accept.

Dempsey has every confidence, he declared, that he would repeat his victory over the Frenchman.

Dempsey plans to leave here Saturday for Berlin. Later he will proceed to London to attend the Carpentier-Lewis fight, after which he will go to Manchester and Dublin for exhibition bouts.

Paris, April 27.—Not his bulk nor his glorious sartorial achievements, but the astute habits of Jack Dempsey are the most amazing characteristics of the world's champion as he continues his exploration of Paris. Newspapers are commenting in tones of breathless incredulity on anything containing alcohol except it be also during his training for a fight, never smokes a cigarette, and yet is very fond of modern dances.

**Absorbed Culture.**  
Dempsey absorbed culture all day yesterday on a tour arranged by the French sporting newspaper, L'Aurore, which placed a motor car at his disposal, and showed him in bewildering succession the Louvre, the Invalides and various other interesting things about Paris. The American champion touched his forehead in a salute to the armless Venus and the Winged Victory also was of unusual interest to him.

Dempsey was surprised to learn also that the little Corsican resting at the Invalides was only a featherweight, and yet tried to conquer the world.

The champion and his brilliantly-dressed party lunched at Ciro's, and Jack again drank ice water.

**AUSTRALIAN BECOMES COAST "MIDDLE" KING**  
Vancouver, April 27.—Tom King, an Australian, won the middleweight championship of the Pacific coast here last night when he outpointed Gordon McKay, of Pocatello, Idaho, in a six-round, ten-round bout. King had an edge over McKay throughout the entire battle. McKay seemed in poor condition.

In the six-round which closed here yesterday, King landed a popular decision over Len Holliday.

In a mixed wrestling and boxing bout, Frank Hall, wrestler, won on Joe Wilson, boxer, in the second round of a scheduled six round go.

**ENGLISH LACROSSE TEAM WINS AGAIN**  
Hoboken, N. J., April 27.—The Oxford-Cambridge lacrosse team yesterday defeated the Stevens Institute here, 8 to 4.

**FRANK TROEH WINS ANOTHER GUN TITLE**  
Clarkesdale, Miss., April 27.—Frank Troeh, Vancouver, Wash., carried off high gun honors at the Cotton Belt championship, which was played here yesterday by turning in a score, under favorable weather conditions, of 770 out of a possible 800 targets for the entire shoot.

**WEDGE, BOXER-STUDENT, HAS TO QUIT COLLEGE**  
Cambridge, Mass., April 27.—Frederick "Kid" Wedge, former prize fighter of Arizona, who came here last winter to enter the Harvard graduate school, making the trip in box cars, has abandoned his college course and returned to Arizona suffering from tuberculosis.

played at inside-right, and later on at centre-forward. If one only went by Cup records, mention of one great player would be left out. I refer to W. N. Cobbold, to my mind the greatest forward I ever saw—old 'uns are perhaps liable to overestimate the heroes of our youth. Cobbold could dribble the ball with uncanny accuracy, had terrific pace, could swerve and hold his own in grueling charges, and go on and shoot goals.

The Old Carthusian played four times against Scotland, twice against Wales, and three times against Ireland, and never got a Cup medal.

Immense Purse Is Offered by Old Country Promoters for Fight Between Jack Dempsey and Georges Carpentier to Take Place in Summer.

## MAY FIGHT HIS WAY INTO BOUT WITH WELTERWEIGHT

Frank Barrieau

Frank Barrieau

Toronto, April 27.—The promoters of the fight to-night in Toronto between Frank Barrieau, Canadian welterweight champion, and Johnny Klesch, Cleveland middleweight, received a message this morning from ex-Senator R. J. Butler, New York, that the latter, accompanied by Commissioner Baldwin, of the State of New York, left to-day for Toronto to attend the bout. Both are interested in the proposed Britton-Barrieau fight for the welterweight championship, and are coming especially to see the Canadian champion in action.

If Barrieau succeeds in defeating Klesch to-night he will be matched with Britton. In a bout in Vancouver last year Barrieau boxed to a draw with Britton.

**LEAGUE GAMES**  
National League.

Philadelphia, April 27.—Home runs by Williams and Fletcher yesterday gave Philadelphia its first victory of the season, 4 to 3, in ten innings. Grimes made three hits, driving in the first run and sending in two more in the fifth which tied the score. Hollocher's single in the tenth paved the way for the final run, which came home on Grimes's third hit. Alexander settled down after the second inning and pitched a masterly game.

**Rixey Stops Cards.**  
Cincinnati, O., April 27.—Rixey was in splendid form yesterday and, backed by good support, shut out St. Louis, 3 to 0. Walker retired for a pinch-hitter in the seventh inning. Pfeiffer, who succeeded him, was hit hard in the eighth.

**Brooklyn Recovered Well.**  
Boston, April 27.—Fillingim held Brooklyn useless yesterday until the seventh inning, when the visitors fell on him and continued their hard hitting against Oeschger, winning, 10 to 1. Huntingford drove in six runs and scored the winning run himself.

**American League.**  
New York, April 27.—The Philadelphia Athletics broke New York's winning streak here yesterday, taking the last game of the series, 4 to 2, by virtue of a ninth-inning rally. It was New York's first defeat on the home grounds this season.

**Lacked Control.**  
Cleveland, O., April 27.—Bagby's lack of control with timely batting by Chicago, and Cleveland errors, allowed Chicago to defeat the locals yesterday, 7 to 3. Cleveland outbatted the White Sox, but two double plays hurt the Indians' chances of scoring. Stephenson's batting was the feature. He made two doubles and a triple.

**Cleveland**..... 3 12 2  
Batteries—Robinson and Schalk;

St. Louis, April 27.—Bert Cole, a recruit southpaw of the Detroit club, broke the St. Louis club's winning streak here yesterday, shutting out the Browns, 3 to 0. Kenneth Williams's home-run streak also was shattered. The best he could get was two singles in four trips to the plate.

**Clean Sweep for Senators.**  
Washington, April 27.—Washington made a clean sweep of the series with Boston by taking the final yesterday, 15 to 6. The locals bunched hits off four of the visiting pitchers. Gleason, although hit hard, received good support.

**Batteries**—Pennock, Karr, Lodge, Fullerton and Walters; Gleason and Charrity, Pincin.

**TO ELEVATE BOXING AND WRESTLING GAME**  
Three Big Commissions Form an Alliance; Erring Boxers Look Out

Montreal, April 27.—A working arrangement has been completed between the Montreal Athletic Commission, the New York State Athletic Commission, and the Ontario Athletic Commission, three of the leading bodies on the continent controlling wrestling and boxing. The alliance is "offensive and defensive" in the interests of the sport. Each will recognize the rulings of the other and will make the pathway of erring boxers more difficult than ever.

The Ontario commission has expressed readiness to co-operate with the Montreal commission in everything that will tend to improve the status of boxing and wrestling, and Secretary Fitzgerald, of the Ontario commission, has been authorized to formally enter into this arrangement at once. He has suggested that the three commissions would bodies at once form a Dominion body, adding to their number as other provinces fall into line, and this will be immediately undertaken.

**Manitoba Agrees.**  
Winnipeg, Man., April 27.—The suggestion of J. P. Fitzgerald, of the Ontario Athletic Commission, to form a Dominion body to control boxing and wrestling, meets with the approval of James Morkin, chairman of the Manitoba Boxing Commission, he stated here last night. Mr. Morkin said he was thoroughly in accord with the suggestion, which would put the sport on a higher plane, and he hoped it would materialize.

## BIRTHS, MARRIAGES AND DEATHS

**DIED**  
 HOPPER—On the 26th inst. at the home of her daughter, Mrs. Frank Calvert, 1900 Belmont Avenue, Mrs. John Hopper, aged 89 years and 5 months. She was a native of Huntingdon, Quebec, and had resided in Victoria for the past 16 years. She leaves to mourn her loss three sons, S. T. Hopper, of Carberry, Man.; R. J. Hopper, Vancouver, and John Hopper, Nevada. Four daughters, Mrs. Frank Calvert, of Victoria; Mrs. George Davidson, of Vancouver; Mrs. George Munroe, of Winnipeg, Man.; and Mrs. Norman Matheson, of Winnipeg, Man. The remains are resting at the Thompson Funeral Home and will be removed to the residence of her daughter, Mrs. Frank Calvert, 1900 Belmont Avenue, where private service will be held on Friday morning, April 28, at 11 o'clock, after which the remains will be forwarded to Winnipeg for interment. Mrs. Frank Calvert and Mrs. George Munroe will accompany the remains. Funeral will be private.

HUNTER—On April 25, at the family residence, Mt. Tolmie, Mrs. Mary Jane Hunter, beloved wife of Mr. William Davidson Hunter, aged 84 years, born in Lauder, County Durham, England, and a resident of Victoria for the past 25 years. The deceased is survived by her husband, two sons, George and Victor, and four daughters, Mrs. J. H. Hunter, of Victoria; Mrs. F. R. Hunter, of Vancouver; Mrs. R. C. Hunter, of Parkersburg, W. Va.; and Mrs. M. Hunter, at home. The funeral will take place to-morrow, the 26th inst. The remains will be removed from the residence to St. Luke's Church, Cedar Hill Road, at 3 o'clock, and at 4 o'clock services will be conducted at the church by Rev. William Carroll. Interment at St. Luke's Cemetery.

## CARD OF THANKS
